County Financial Balance is More Than Double the Yearly Spending

By HARRY BARNES
Press-Record Staff Writer
The Madison County govern-
ment, whose finance officials
are now drafting a new budget
and tax levy for adoption by
the county board of supervisors
next month, has piled up a
heavy surplus of funds that
reached \$8,072,244 as of Oct. 1,
it was learned by the Press-
Record today.

The buildup apparently has
been under way for the past two
years with sizeable investments
made out of regular tax income
and other revenue of many of
the special accounts, as well as
the general revenue fund.

Investments in substantial
amounts have been made during
both the 1968-69 fiscal year and
the current 1969-70 year which
ends Nov. 30, according to
county financial records.

Records also show that in
most instances monies depos-
ited in U. S. Treasury bills or
in Savings and Loan firm in-
vestments are listed as dis-
bursements along with regular
expenditures, and still leave
sizeable balances in the various
county funds.

General Fund Balance
An examination of county
records through the month of
September shows a Sept. 30
balance in the county's
general revenue fund
amounting to \$1,735,564.

This large balance re-
mains despite total expendi-
tures during the ten months
of the current year (Dec. 1,
1969 through Sept. 30 this
year) amounting to \$3,285,
336 for general fund pur-
poses.

Of the total \$1,735,564
general revenue balance,
\$536,487 is invested in U. S.

Treasury bills, records
show. The investment in-
cludes \$442,886 in general
revenue, plus \$93,601 out
of the county officers fund
which also is part of the
general revenue fund.

More than half of the overall
total fund balances of \$8,072,244
is in five separate accounts of
the county highway department,
with the motor fuel tax fund by
far the largest. The Sept. 30
fund balance of the motor fuel
tax fund was \$2,435,266.

Records show the motor fuel
tax fund had \$2,440,294 invested
in U. S. Treasury bills, as of
Sept. 30.

Other Highway Funds
Other highway funds briefly,
are: County highway fund, bal-
ance of \$815,318 with \$344,123
invested in U. S. Treasury bills;

County bridge fund, \$335,242 bal-
ance with \$196,642 invested;

County highway federal match-
ing fund, \$433,940 balance with
\$294,963 invested in treasury
bills; and Senate Bill 97, bal-
ance of \$444,712, with \$196,700
invested.

The overall total of invest-
ments in all accounts
amounts to \$4,806,076, or
\$1,341,079 more than the
entire 1968-70 tax levy of
\$3,465,196 approved by the
county board of supervisors
last year.

The aggregate of \$8,072,244 in
all fund balances on Sept. 30
represents 233% of the amount
of last year's \$3.4-million tax
levy.

On the basis of these figures,
Madison county could have elimi-
nated its entire tax levy last
year and still would have
\$4,618,138 in fund balances as
of Sept. 30 this year.

At the time the county board
approved its 1969-70 tax levy
last November, it cut the total
figure \$86,752 below the \$4-
450,838 tax levy of the previous
year. Finance officials pointed
out this would result in a tax
reduction.

The amount of money lost by
the tax levy reduction, however,
was made up in most part by
increased sales tax allocations
and allotments of state income
taxes.

A study of county finance fig-
ures shows also that while reve-
nue has been more than enough
to meet county expenses, coun-
ty administrators at the same
time have trimmed spending
below levels of the previous
year, thus permitting a faster
buildup of surpluses.

May Levy to Levy
Members of the county board
finance committee and other fi-
nance officials who will present

the new 1970-71 budget and tax
levy for county board approval
in the November meeting plan
to apply at least part of the
surpluses to next year's antici-
pated operating costs. If this is
done, substantial cuts in the
new tax levy should result.

An example of higher income
and lower spending is shown in
the county's Mental Health
Fund. A tax levy of \$307,000 was
approved for this account last
November, requiring a tax rate
of 3.15 cents per \$100 assessed
valuation.

During the ten months of the
year to Sept. 30, total expendi-
tures in this account are listed
at \$132,915. Thus, expenditures
are only about half of the
amount levied, with only two
months of the fiscal year re-
maining. In addition, the ac-
count had a balance of \$99,239
at the time the levy was made.

Another example is the Coun-
ty Highway Federal Matching
Fund (one of five separate high-
way accounts) for which the
county board levied \$160,000 last
November, at a time when the
account already had an existing
fund balance of \$297,582.

Reports from the county audi-
tor's office show that total ex-
penditures in this account for
the ten months of the fiscal
year to Sept. 30 amounted to
\$15,377 in regular expenses and
a \$3,117 commission to the
county treasurer for a total ten-
month outgo of only \$20,495.

This account, as of the Sept.
30 report, had a balance of
\$433,940, with no warrants out-
standing, and \$294,963 of the
balance invested in U. S. Treas-
ury bills.

Had Substantial Balance
Records show that at the
end of the 1968-69 fiscal

year on Nov. 30 last year,
just after adoption of the
new county budget and tax
levy, the county had a gen-
eral revenue fund balance of
\$1,236,561, including more
than \$830,000 in treasury
bill investments.

During the ten months of the
current year (Dec. 1, 1969 to
Sept. 30 this year) receipts in
the general revenue fund
amounted to \$2,184,429. Income
included final 1968 tax settle-
ments of \$200,922 and 1969 taxes
(collected this year) of \$745,887,
plus revenue from all other
sources.

Additional revenue in the gen-
eral fund included \$599,942 from
the county officers fund and
\$31,067 in the dependent chil-
dren's fund. Both of these ac-
counts are included within the

Tri-City Port Action at Peak

The Tri-City Regional Port
District produced a record of
133,645 tons of bulk and liquid
cargoes during its last fiscal
year, an increase of 73,645 tons
over volume of the previous
fiscal year, it was announced
today amid the district's busiest
week of activity in the port's
history.

Carl Ranft, Port Manager,
announced that Bulk Service
Corp. this week began use of
its new 60,000-ton warehouse
built just inside the main levee
at the Port District facilities on
the Chain of Rocks Canal.
Workers today were unloading
31 rail cars of bulk fertilizer
that is being stored in the new
warehouse.

At the same time, port work-
ers also were completing today
the distribution of eight barges
of cargo consisting of various
points throughout the region.
The inbound cargo included
four barges of bulk fertilizer,
one barge of soda ash and three
barges of coal. These products
have been distributed by truck
from the port's unloading
terminal.

Ranft said distribution of the
cargo brought in on the eight
barges and receipt of the 31
cars of fertilizer for storage in
the Bulk Service Corp. ware-
house constitutes the biggest
week of activity in the history
of the port's operations.

For Public Warehousing
The large new warehouse
built by Bulk Service Corp. will
serve as a public warehousing
facility for bulk products and
the present consignment of bulk
fertilizer, about 10,000 tons,
the first material to be stored
in the warehouse.

The port district's record
business for the 1969-70 fiscal
year ending last June 30 was
reported to the Port board in
a meeting Monday night.

Ranft told the board that Na-
tional Marine Service, Inc.,
handled 73,789 tons of liquid
materials during the year, com-
pared to 60,000 tons during the
1968-69 year.

pared to 60,000 tons during the

**GC Steel Co. Net
Income Jumps for
9-Month Period**

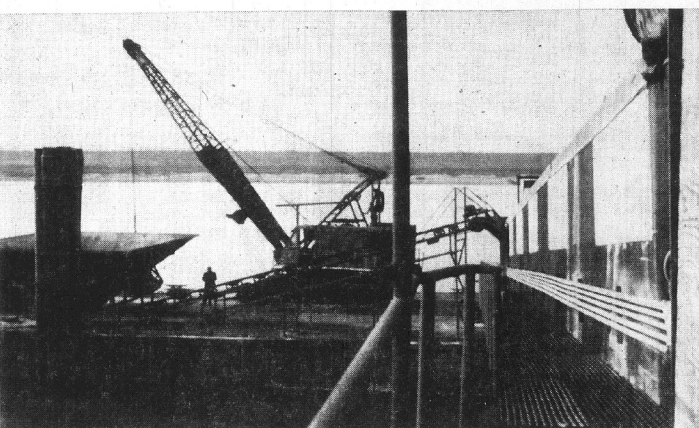

Granite City Steel Co. had net
income of \$2,598,000 or 60 cents
per share of common stock for
the nine months ended Sept. 30,
compared with net income of
\$28,000, or 1 cent per share, for
the first nine months of last
year, Nicholas P. Veeder, chair-
man of the board, announced
today.

Net income for the three
months ended Sept. 30 was \$466,
000 or 11 cents per share of
common stock. For the same
period in 1969, earnings were
approximately the same—\$476,
000, or 11 cents per share.

The third quarter shortage
of coal forced our company as
well as others in the basic steel
industry to curtail production
of coke and, in turn, the produc-
tion of blast furnace pig iron
and basic oxygen furnace steel.

Mr. Veeder said, "As a result,
production and shipments in the
third quarter were lower than in
any quarter since the company
returned to full operation in
mid-1969. Shipments would have
been higher had we been able
to produce more steel."

Production Down
Granite City Steel produced
365,000 tons of raw steel and
shipped 255,000 tons of flat
rolled steel products in the third
quarter this year compared with
production of 308,000 tons and
shipments of 336,000 tons in the
third quarter of 1969. For the
first nine months this year, the
company produced 1,131,000 tons
of steel and shipped 835,000 tons
of flat rolled products compared
with production of 1,052,000 tons
and shipments of 835,000 tons in
the first nine months of 1969.
Net sales were \$47,300,000 for

unloading, such as this crane aboard one of eight
barges that brought shipments of coal, soda ash and
bulk fertilizer to the Tri-City Regional Port District

history.

UF Pledges at Pontoon Beach 76.6% of Goal Shows Top Census Climb at 69.9%

Local applause from volunteer
drive leaders greeted the an-
nouncement shortly after noon
today that the current census
for the Area United Fund campaign
has exceeded 76% of the \$407,000
goal, representing contribution
pledges of \$311,258, or 76.6%.

J. S. M. Dashwood, general
chairman of the 1971 fund rais-
ing drive, announced the re-
cord-breaking contributions fig-
ure at the United Fund's third
weekly report meeting, held in
conjunction with a "dutch
treat" luncheon at the YMCA.

A final report session is
scheduled for next Friday when
the drive officially concludes.
At the same period of the cam-
paign last year only 46.2% of
the total goal had been achieved.

Tabulation figures presented
today disclosed the Industrial
Firms Division with pledges
totaling \$144,732, or 84.4% of
the divisional goal; Industrial
Employees, \$144,732, or 86.2%
Commercial, \$15,357, or 42.6%
Professional, \$268, or 35.6%
Public Services, \$9306, or 46.5%
Residential and Clubs (PFA
Fair included), \$10,930, or
91.3%; Venice, \$1260, or 55.2%
and Madison, \$2553, or 26.1%.

'Yule Mail Call' Listing Starts in Today's Issue

Three servicemen on duty in
Vietnam, three stationed in
Korea and a sailor, who will be
spending his third Christmas
abroad, are among the Armed Forces
members whose names and ad-
resses appear in the initial
Yule Mail Call list published
today.

To guarantee mail delivery in
time for the Yuletide holidays,
relatives and friends of Quad-
City servicemen and women
are reminded to submit their
names and addresses to the
Press-Record as soon as possi-
ble for inclusion in the fifth
annual "Yule Mail Call" project.

Additional lists will be pub-
lished in each edition of the
newspaper as information be-
comes available. It is suggested
that readers clip-out and retain
the lists as they are published
for future reference.

GC Will Fight Madison Effort To Annex Depot

Granite City will oppose in the
county circuit court the effort
of Madison to annex a 333-acre
section of the Granite City Army
Depot.

Council members, challenging
the Madison action as illegal,
voted Monday night to contest
the proposed annexation in a
circuit court hearing that will
be held on the Madison ordi-
nance calling for annexation of
the depot land.

The council voted unanimously
to authorize City Attorney
Leon Scroggins to file objec-
tions to the Madison annexation
ordinance and to represent
Granite City in protesting court
approval of the annexation.

A formal protest during the
court hearing on the Madison
ordinance was decided upon fol-
lowing discussion in which Alder-
man Steve Bazzarich at first
urged the council to bring in an
ordinance of its own to annex
"everything from the Common-
wealth plant (General Steel In-
dustries, Inc.) to the river."

Notified Authorities
Mayor Donald Partney, describ-
ing the Madison move to an-
nex 333 acres of the depot as
"a publicity stunt," told the
Granite City council members
that he notified the proper fed-
eral authorities of Granite
City's interest in acquiring the
depot land the day after the
decision to deactivate the Army
Depot operation was announced
last March 4.

Referring to adoption of the
annexation ordinance by Mad-
ison, Partney told Granite City
aldermen:

"The day after the govern-
ment announced on March 4
that it planned to phase out the
Army depot, I wired the proper
officials and informed them
that we (Granite City) are in-
tensely interested in the depot
area and that as soon as the
area was declared excess or
surplus Granite City would like
the opportunity to apply for the
area."

Alderman Walter Noon told
the council that "we have ac-
quired a lot of land over that way
that could be developed and we
should do something about it."
Scroggins pointed out that
Madison has submitted its ordi-
nance annexing the depot land
to the circuit court. A date for
a hearing is to be set soon.

"It is my understanding,"
Scroggins told the council, that

Moose Lodge, Retailers Plan Halloween Parade

Granite City Moose Lodge 272
and the Downtown Granite City
Shopping Center merchants will
co-sponsor the traditional com-
munity-wide Halloween parade
and costume judging contest on
Saturday evening, Oct. 31, it
was announced today by Ed-
ward Chastain, Moose civic af-
fairs chairman and parade
marshal.

Children and adults attired in
masquerade costumes are to
gather in front of the city hall
in Granite City at 7 p.m. Oct. 31,
where numbered tags will
be distributed to the marchers
for identification in the judging
contest.

The parade will start promp-
tly at 7:30 o'clock Halloween

Night, Chastain advised. Judges
presently are being selected
and costume winners will be
announced at the conclusion of
the parade through downtown
Granite City, the chairman
said.

Leading the marchers along this
year will be the "Rolling
Nobles" of Auld
Shrine Temple, Chastain an-
nounced.

The parade marshal also re-
ported that cash awards will
be presented the most striking
masqueraders. Prize money al-
ready has been donated by the
parade project, he noted.

Hundreds of local youngsters
and adults take part each year
in the Halloween Night event.

Sen. Smith in Area Tomorrow

U. S. Senator Ralph T. Smith,
pursuing his campaign for re-
election in his home area, will
attend a Republican "Dutch
Treat" luncheon at noon tomor-
row in the Rose Bowl.

Delegations of Republicans
from all parts of Madison
county are expected to attend
the affair at which Smith is
scheduled to speak briefly be-
fore resuming his campaign
itinerary in other parts of the
county.

Smith's foe for the senatorial
seat, Adlai Stevenson III, ap-
peared in the Alton area earlier
this week, and in St. Clair
county where he was guest at a
Democratic dinner meeting.

Civic Leaders Honor Bond Committee Chairman

Madison and St. Clair county civic leaders were present at a noon luncheon Wednesday to honor Harry A. Lutz, retiring chairman of the St. Clair Volunteer Savings Bonds Committee, at the Sunset Hills Country Club.

Several plaques were presented him for his work in the savings bond program, including a plaque honoring him for helping make St. Clair county a leader in bond sales in Illinois. It was presented by the U.S. Treasury Department.

Madison county Bond chairman, Henry D. Karandjeff, was among those present.

Pleasant Rest Home Expanded to 122 Beds

Pleasant Rest Nursing Home, 614 Summit, Collinsville, has completed an addition for 33 beds, bringing its total bed capacity to 122 beds. Expect 5000 at GOP 'VoteFest'

Senator Charles H. Percy announced that more than 5000 persons from all over the state are expected to attend Percy's GOP VOTEFEST in Springfield Saturday.

Among those expected to attend the Republican rally are Governor Richard Ogilvie, Senator Ralph Tyler Smith, and State Supt. of School Ray Page. The VOTEFEST is being held to allow people from across the state to meet the Republican candidates for office. "We're planning a wonderful afternoon with food, entertainment, door prizes and probably a political speech or two," Percy said, "and the response has been terrific. At present estimates, we now expect to have more than 5000 persons in attendance."

The VOTEFEST will be held at the State Fairgrounds in Springfield from noon to 4 p.m. Saturday. Tickets are available through Republican county chairmen.

HOT CLEANS CARPET WITHOUT WATER — FEDER HUBER NIEDRINGHAUS & DELMAR

After-Election Income Report Not Good Enough -- Ottwein

"Inasmuch as my opponent has declined to benefit the public with free and open debates, I now feel free to publicly question him on the issues I believe the public needs to know," State Senator Merrill Ottwein, seeking re-election Nov. 3, said today.

"In his recent open letter, in which he stated he simply didn't have time in his schedule for this exercise, he made this statement," Ottwein asserted: "Vadala bene announced again that he will reveal his sources and amount of his income if elected to the senatorial post. He said he believes full financial disclosures by elected officials should not be a discretionary course, followed by some but ignored by others. It should be the basic duty of elected officials, a function to be fulfilled as soon as they take the oath of office."

"The questions I would ask in response:

1. "Why hasn't Mr. Vadala bene made these disclosures in the past if he thinks it's a good idea? I don't remember him ever doing it despite two terms in the House. Or why wait until after the election? It's too late then."

2. "Leading up to another question: I sincerely think this

challenge is in the form of a grandstand play, attempting evidently to make me out as a well-to-do businessman while making himself look modest. . . . I'm a common man, too, but I have a different idea about the subject of money."

"The public would be well served if the legislator has adequate income of his own, rather than to need supplementation from outside pressure groups."

Campaign Gifts Tie Hands

"Financial hangups occur to candidates because of campaign contributions. If at all, not in income—although few candidates are willing to talk about them. "For example, I received as my 1969 state salary the sum of \$8000. It will go up to \$12,000 next year by an act passed in 1967—no other raises are pending, contrary to rumor. Out of that came taxes, including the Illinois income tax, and expenses of living in Springfield."

"Any legislator who says he can live on this salary with a family, less Springfield food and lodging, it's a liar. . . . period. Extra support money is a necessity."

"In my own case, the extra

money comes from my own pocket. I do have some agricultural and development real estate in the Edwardsville area. The first parcel was purchased in 1961, and the proceeds of the 1968 sale of my practice were invested in land, even before a decision was made to enter politics."

"The developmental business we have is now operated largely by my brother-in-law, Jim Deeren, and he frees me to full-time legislative service. I am independent of outside sources of income and I do not own significant stock or have other financial interests that would cause biased voting or be subject to financial compromise."

Loose State Law

"Illinois does have a disclosure law although it is very loose. My opponent's statement in response to this legal requirement states that he has 'no significant outside sources of income' in addition to his legislative salary. My statement shows that I do get outside income from real estate," Ottwein continued.

"In the current campaign, I have accepted campaign contributions from various persons, and have refused some. The largest, other than from my

family, is \$200 and there are just a few of them."

"We have rather a broad base of smaller contributors, who expect nothing in return but a 'fair shake' and honest government. We have not received for this campaign, nor will we accept, funds from statewide Republican party sources."

"A list of contributors to date, by number, is enclosed with this release. No 98 is from a member of the family for \$500. Our auction yielded \$3196 and an apple butter 'cook' produced \$375. We will release a final list weekly until after the election, when a final list will be released."

"We want the voters to know that we have no financial or political hangups. We would also like to point out that our opponent's campaign costs will be at least double what ours are. We had only \$30 expenses for a non-contested primary."

"The question: Where do my opponent's campaign funds and support funds come from and in what amounts? I challenge him to publish them now."

Disaster Plans to be Civil Defense Topic

Disaster preparedness for tornado, fire, nuclear attack, civil disturbance or bomb threats will be discussed Monday at 7:30 p.m. at a meeting of the Disaster Action team in the Granite City Civil Defense building, 1411 Nineteenth street.

Bernard Penny director of personnel and disaster chief for St. Elizabeth Hospital, will be the speaker. Mr. Penny will show how the disaster action team and the St. Elizabeth hospital workers will cooperate in the event of a disaster.

Films will be shown on various disaster and evacuation plans including the fire and evacuation plan of St. Elizabeth Hospital.

A display, with the cooperation of the Granite City Civil Defense organization, will display drills and exercises.

Mrs. Maxine Duniphan, chairman of the Disaster Action team and first aid chairman for the American Red Cross in Granite City, said the meeting will be open to the public and all persons trained in first aid are encouraged to attend.

Poor Investment Of County Funds, Claus Charges

Allan O. Claus of Collinsville, Republican candidate for treasurer of Madison county, said in a talk at Holiday Shores Tuesday night that he would invest idle county funds in a manner that would bring maximum income to the county.

"Past practices in the investment of county funds have paid very low interest rates. These poor investment procedures have cost the taxpayers of Madison County \$200,000 a year," he charged.

"There is no reason why accounts in the Treasurer's office shouldn't be kept to the barest minimum."

"In September 1968, the present treasurer said the policies of investment in the treasurer's office were established before he came into office and that he did not wish to change them. That statement shows a lack of leadership."

"The citizens of Madison County need new leadership to solve the problem in the treasurer's office," Claus said, adding that he would provide such leadership. He concluded, "Madison county cannot afford four more years of waste and inefficiency."

Demonstrations Mark 4-H Club Meeting

Demonstrations on cooking utensils and sewing utensils by Pam Clements and Donna Schilling highlighted Tuesday evening's meeting of the newly formed Thorngate Homemakers 4-H Club.

The club was formed last month and Pam Clements was elected the first president at the charter meeting. Other officers elected are Cindy Foster, vice-president; Donna Schilling, secretary; Cindy Farnes, treasurer; Marcia Wolf, reporter and Patricia Townsend and Rhonda and Eadie Schilling, recreation leaders.

At Tuesday's meeting, Mrs. Shirley Schilling, advisor, explained the ideals of 4-H work. Other members of the new club are Jean Hughes, Martha Arnold, Terry Woker, Tammy Monroe and Terry Clements. The next meeting of the club will be Nov. 17.

Helping Relationships Church Study Topic

A program of study, "The Helping Relationships," will begin at the Third Baptist Church Sunday at 5:30 p.m. The Rev. Carl Watkins, pastor, in announcing the study, indicated that it will be an educational approach to more effective human relationships aimed at the development of more fully functioning human beings. It will be one aspect of the church's Baptist Training Union program.

The program will be conducted by Dr. Raymond E. Troyer, Professor of Counselor Education at Southern Illinois University-Southwestern, each Sunday from 5:30 to 8:30 p.m. Rev. Watkins emphasized that the public is invited to attend.

Dr. Troyer is a member of the American Psychological Association and has served on the board of examiners for psychologists for the State of Illinois. He has had 35 years experience in conducting such studies.

Each session will include a discussion of the human relationships difficulties to be found in society. Emphasis will be on human interaction with the goal of preventing trouble before it develops, of giving guidelines for helping friends, relatives, or others who are in difficulty.

"We are often still trying to meet the new age and its new responsibilities with the super-stories, ignorance and prejudices that come out of our past," Dr. Troyer said.

"We all face similar difficulties and can really learn through open discussions. One of the more important advantages of the class is the influence members have on each other as they share their learning and progress week after week," according to Dr. Troyer.

"Every human being is called upon to counsel, that is, to listen to others in trouble," he continued, "and to help them to discover their personal and environmental resources in relation to their problems. All people can be trained to have greater insights into the helping relationships and understand better the dynamics of human behavior both individually and corporate."

All Baptist Training Union programs at the church will begin at 5:30 p.m. beginning Sunday, Rev. Watkins announced.

Regional Health Care Workshop Oct. 29-30

A workshop on "Planning for a Regional Health Care Delivery System" will be held at SIU-SW Oct. 29 and 30. The two-day meeting is being co-sponsored by the Illinois Regional Medical Program and the School of Dental Medicine, SIU-SW.

Participants in the program will include hospital administrators, medical staffs and lay board members from hospitals belonging to the Southwestern Illinois Hospital Planning Council.

George P. Mancuso, coordinator of the conference and faculty member of the School of Dental Medicine, said the meetings will take place in the Illinois Room of the University Center.

Among the topics to be discussed are: economics of regional health planning; financial analysis in assessing objectives of health care facilities; basic systems concepts in health care planning; and planning, programming and evaluation in health care.

Besides Professor Mancuso, two others will serve on the conference faculty. They are Gilbert Rutman, an associate professor in economics at SIU-SW, and M. King Davis, a professor of financial management from the University of Massachusetts.

Mancuso is coordinator of hospital and health care administration and assistant to the dean for program planning at the School of Dental Medicine. He also holds the rank of assistant professor.

Participants will include from St. Elizabeth Hospital, Granite City, Sister Mary Thomas, Sister Willemene, Ted Ellerman, Don Lenz and Dr. Harry McLean.

Plan Chili Supper
A chili and hot dog supper will be held by the Bubblemasters, at the YMCA Saturday from 4 p.m. to 8 p.m. Proceeds will be used to purchase an air compressor. Tickets will be \$1 for adults and 50 cents for children. Underwater movies will be shown for those interested.

Home Instructor Salary Raised in Venice District

Pay rates for home-bound instructors in the Venice school district were raised to \$7 per hour in action taken Monday evening by the Venice board of education.

For the last several years, the hourly pay scale for tutoring home-bound pupils has remained at \$5 per hour, the board members were informed.

Approval was granted for publication of a Venice high school year-book. The year-book project was renewed after a lapse of several years, with Mrs. Barbara Williams, high school librarian, authorized to supervise the publication.

Permission was given Donald Mancil, Venice director of instrumental music, to attend the Illinois Music Educators conference, set for Dec. 14-15 in Chicago. Approval also was voted for board members and administrators to attend the annual convention of the Illinois Association of School Boards and Administrators, scheduled for Nov. 21-23, in Chicago.

Coaching Assignment
A transfer in coaching assignments was announced for Robert McKinney, who will assist in coaching basketball, cross country and baseball at the high school level. Previously, McKinney was assigned to coaching duties in the elementary grades.

It was agreed to amend the Venice cafeteria workers contract, signed earlier this year, to conform with a working agreement between the Venice school district and the custodial staff. Both groups are members of Building Service Employees International Union, Local 98.

The changes agreed to by the board read: "Members required to work on holidays above indicated shall receive one and one-half times their regular hourly rate of pay in addition to their holiday pay with a minimum guarantee of not less than four hours pay at this holiday rate."

The agreement previously read that cafeteria workers would receive double their regular pay scale on holidays for a minimum of not less than four hours.

Monthly bills approved for payment from the education fund, amounted to \$17,024 with payments totaling \$17,077 from the building fund; \$2848, transportation fund; and \$19,393, Venice-Lincoln Technical Center fund.

Financial transfers authorized, included \$57,500 and \$7500 from working cash fund to the Venice-Lincoln Technical Center from education fund to Title I fund.

Tri-Hi-Y Club Meets
Doris Ferrer was welcomed as a new member of the Granite City high school Tri-Hi-Y Club at its regular meeting Monday night. Announcements were made at the meeting that Club members Sue Lybarger and Debbie Baker were elected to the Homecoming court at Granite City high school for Nov. 14. The club meets every Wednesday night.

SHELLEY RAYBURN, whose graceful acrobatic routines intrigued guests at Tuesday's "Talent Night Party" at the Granite City Elk's Club. For several seasons, the youthful Granite City has appeared with the St. Louis Mundy dancing chorus.

LOUDER AND LOUDER and faster and faster the lyrics flowed from Henry Lamb and Gail Hamilton when the duo sang, "Anything You Can Do I Can Do Better" from the Broadway musical "Annie Get Your Gun." The couple played lead roles in the East Bank Players recent production "Gypsy" and will appear in "Fractured Follies" on Nov. 6-7.

Mrs. Mense Speaker At Hospital Conclave

Mrs. Ellen Mense of East Alton will be a speaker at the 48th annual meeting of the Illinois Hospital Association in Peoria this week. She will conduct a special problem-solving session for hospital auxiliaries and volunteers.

She is chairman of District IX of the IHA. The Group on Volunteer Services, an organization of more than 90,000 auxiliary members and volunteers throughout the state.

Over 1000 registrants from the hospital field in Illinois, including administrators, trustees, physicians, nurses and volunteers are expected to attend the two-day meeting at the Hotel Pere Marquette today and tomorrow.

"Initiating change from within the health care system to meet the rapidly growing demand for health services" will be the focus of the program.

The Illinois Hospital Association is a nonprofit voluntary organization of 300 Illinois hospitals. It represents a \$1.3 billion a-year health service system that employs over 145,000 people.

At the association acts as the spokesman and program coordinator for hospitals in their interactions with public and both voluntary and governmental health agencies.

1,000 at Open House
More than 1,000 persons attended the open house at the Frohardt school house, sponsored by the school PTA from 7:30 until 8:30 p.m.

GENUINE ANGUISH is reflected upon the faces of performers who drew considerable applause for their comedy presentation, "Nothing But a Pain," at Tuesday's party to kick off the second annual "Fractured Follies" musical to benefit St. Elizabeth Hospital. From left to right are Carmen Becerra, Marion Rose Lambert, Helen Bergfield, Norma Mendoza, Ruth Lamb and Peggy Essenpreis.

Fractured Follies in Rehearsal

Tuesday evening was "fun night" for many local residents who will appear in the 1970 version of "Fractured Follies," sponsored by the St. Elizabeth Hospital Auxiliary to benefit the hospital building fund.

For the next two weeks, however, the same aspiring performers will buckle down to hard work and long hours of rehearsing to prepare the musical extravaganza for public presentation on Friday and Saturday evenings, Nov. 6-7, in the auditorium of Granite City high school.

Approximately 150 persons attended this week's "Talent Night Party" at the Granite City Elk's Club. The affair was a combination of good fun and entertaining performances by local talented people. The occasion also served to introduce the producer of the second annual "Fractured Follies" to cast members and friends of the hospital.

Chris Carter of New York City, an associate of Jerome H. Cargill, Inc., one of the country's leading producers of amateur theatrical shows, will direct and choreograph the high-stepping musical revue to be staged here next month.

The professional showman, introduced by Mrs. Mill Hoelscher, talent chairman for "Fractured Follies," outlined the requirements necessary to produce a successful variety show, including the need for a concentrated number of rehearsals, enthusiasm and many volunteers.

Volunteers Needed
Mrs. Helen Bergfield, manager of St. Elizabeth Hospital coffee and gift shop and Ted Ellerman, the hospital's assistant administrator who are co-chairmen of the "Follies" project, urged Quad-City residents to donate tickets to the hospital benefit show.

Rehearsals started yesterday at the Granite City Elk's Club with the second practice session scheduled for 7:30 p.m. today. Additional dancers, singers and other performers are being sought, according to Mrs. Hoelscher, who may be contacted at 877-4256 for further information.

Volunteers also are invited to attend tonight's rehearsal at the Elk's club on Niedringhaus avenue. About 60 performers are needed to present a successful show, the director noted.

"Fractured Follies" will again reflect a "medical" theme, appropriate to the sponsoring organization and its work in behalf of the local hospital. Last year's program was heavily flavored with segments focusing on situations found in hospitals and activities of medical staff members.

At the "Talent Night Party," entertainment was furnished by several individuals and groups in impromptu fashion.

Entertainers Enjoyed
Well received by the audience were Henry Lamb and Gail Hamilton, who sang "Anything You Can Do I Can Do Better" from the Broadway musical "Annie Get Your Gun," Miss Shelley Rayburn, a talented dancer who performed an acrobatic dance routine; a vocal solo by Ellerman, who sang, "By the Time I Get to Phoenix"; and a humorous segment, entitled "Nothing But a Pain," presented by Mesdames Lambert, Helen Bergfield, Norma Mendoza, Ruth Lamb and Peggy Essenpreis.

Appreciative applause also greeted Ray Peradotti, a professional singer-actor, who is a member of the East Bank Players, the Quad-Cities theatrical group. The baritone recently became a resident of Granite City, it was announced.

Peradotti, who sang "People"

A car driven by Anna George, 70, of 2822 Benton street, backed into the parked auto of Patrick Mathews, Edwardsville, on Grand avenue near 18th street at 2 p.m. Tuesday. The Mathews auto was damaged on the left side and damage to the right rear of the George vehicle was reported.

National Safety Council Urged 'Defensive Driving'

More than 730 organizations throughout the country are participating in the National Safety Council's Defensive Driving Course, which has graduated almost 2.5 million persons since it began in 1965.

These organizations include local, state and federal governmental agencies; the United States military; city and county school districts; vocational and technical schools; university extension services; local and state safety councils; business and industry; Lions Clubs; state-wide Jaycees; the American Association of Retired Persons; National Retired Teachers Association (AARP/NTA); and Veterans of Foreign Wars.

Last year, 56,400 Americans were killed in traffic accidents. Another two million suffered disabling injuries.

All Must Do Part
"This tragic toll will continue unless the individual driver becomes personally involved in the campaign against highway carnage. Every motorist can do his part in this campaign by driving defensively each time he gets behind the wheel," said Chris Imhoff, director of the council's Defensive Driving Course.

What is defensive driving? It is "driving in a manner which will prevent accidents in spite of the actions of others or the presence of adverse driving conditions," Imhoff said.

The National Safety Council, drawing on more than 50 years of experience in traffic prevention, has established the Defensive Driving Course based on the theories of defensive driving.

The standardized, eight-hour course is usually given in two-hour sessions once a week for four consecutive weeks. Instruction includes:

Preventability of motor vehicle accidents; principles of defensive driving; the six situations of the two-car crash; the standard accident prevention maneuvers; preventing run-off-the-road accidents; alcohol, drugs, and driving; backing, fixed objects, and grade crossing accidents; and driving on expressways.

A variety of visual aids, including a series of eight 10-minute films, accompany instruction. The course is taught by instructors who have received a specific training course approved by the National Safety Council.

Information on establishing a local Defensive Driving Course, may be obtained from the Driver Improvement Department, National Safety Council, 425 North Michigan avenue, Chicago, Ill. 60611.

GRANITE CITY'S OWN TOM JONES, in the person of Ted Ellerman, St. Elizabeth Hospital assistant administrator and co-chairman of the 1970 Fractured Follies variety show, renders his own version of "By the Time I Get to Phoenix" at the Talent Night Party.

at Tuesday's kickoff party, has appeared as a regular performer on the Charlotte Peters television show and at various intervals on the "Tonight in St. Louis" program. He has performed at the Renaissance Room, Sir Edward's in Galslight Square, Bustles and Bows, the Wreck Bar in Clayton and other supper clubs. He also has sang in Grand Opera and appeared in many musical comedy shows.

Levee Trustees Move To Set Aside Verdicts
A motion to set aside guilty verdicts against four trustees of the East Side Levee and Sanitary District were filed Wednesday in St. Clair county circuit court at Belleville by John H. Hoban, chief defense counsel.

The four were convicted on charges of misconduct in office during a non-jury trial last Sept. 21 by Associate Judge Alvin Maers of Waterloo who is to set a hearing on the motion. Sentencing on five misconduct counts is pending.

The trustees—Morris Campbell, Lawrence Tolar, George Duff and William Ebersold—were convicted of awarding contracts in the amount of \$48,000 for cleaning and repairing levee tunnels without competitive bids or performance bonds as required by state statutes.

They also were charged with paying levee district attorneys more than the \$3500 in 1969, the amount authorized by law.

Hoban's motion contended that "there was no evidence indicating the defendants had acted intentionally in performing acts which they knew were forbidden by law."

MHS Hosts Formidable Mater Dei on Saturday

By WALTER F. STRANGE
Press-Record Staff Writer

A new era in Madison high school football will begin at 2 p.m. Saturday when afternoon football begins. Although relatively new to this area, Saturday afternoon football is becoming the rule rather than the exception, particularly in the East.

Traveling to Madison will be Mater Dei of Breese, Ill. MHS Coach Alvin Vander Haar reports that "if the Mat-

son team ever gets over the first game jitters, we may start to play football. After five games, you would think this problem would have been solved, but it hasn't been.

"Our offense has bogged down, and when your opponent starts double-teaming them, you are hurt."

"Our passing has improved, but passing does not win football games; it's only the icing on the cake. A running game is a must, and we just aren't run-

ning. In five ball games, we have only played four quarters of top football.

"The Knights are big, strong and tough, and will be a hard beat," Vander Haar adds.

Cochon D. Hopcus of Mater Dei, a former East St. Louis Assumption grad standout, has 13 returning lettermen this season. "I hope to set a new school record of last season. This is only Mater Dei's third year of football."

The Mater Dei starting players have been lost to the team in separate auto accidents in the last two years.

"This year, we have good size and power but we need speed," says Coach Hopcus. "It's been like that since we started football here. At times we have had plenty of good backs, linemen and defensive men, but not one of them has had good speed."

"This year we have Jimmy Heinzman (guard, 217, senior), Bill Dunhill (tackle, 215, senior) and Kevin Haggard (linebacker, 204, senior). All weigh over 200 pounds and that's a good sized line, and that's the reason we haven't caught them."

"We play a single wing, and go right up the middle; we have enough beef up front to do this," continued Hopcus.

"We will be playing independent again next year and we're not sure who will be on our schedule. We tried to get into the new Mississippi Valley Conference," explained Hopcus, "but we don't have a large traveling budget."

Scoreless Tie in 1969

Last year saw a tie between Mater Dei and the Trojans, 0-0. The oval record to date this season is 4-1. The Knights beat Porter 18-0, Greenville 18-12, Chester 38-12 and Mascoutah 16-14, losing to O'Fallon 21-0.

Injuries have taken their toll. Ralph Renshen, starting end, who caught 10 passes for 251 yards and scored two touchdowns, all in the first two games, is out of action with a broken collarbone received in the Greenville game.

Robbie Stanfa, halfback, broke his arm in practice.

Major players with minor injuries are quarterback Jeff Hermann with a hurt wrist and fullback Henry Hummert with bruised ribs. It is not certain if Hummert and Hermann will play against Madison.

With 800 students, Mater Dei had 99 boys out for football this season.

Hopcus, who has been with the Knights since they started football three years ago, says, "We don't have any fancy plays—just basic football, with power. We have a good season going this year and we intend to make it even better."

Starting Squad

Starting for the Knights will be Marvin Hollenkaemper, 5-11, 185, junior, right tackle; Bill Dunhill, 6-2, 215, senior, right tackle; Douglas Becker, 6-4, 195, senior, right guard; Kevin Haggard, 6-4, 224, senior, center; Jim Heinzman, 6-2, 217, senior, left guard; Stan Hazelhorst, 6-4, 220, senior, left tackle; and Mike Brugge, 6-3, 205, junior, tight end.

In the backfield may be Jeff Hermann, 6-0, 170, junior, quarterback; Robin Tewes, 5-9, 165, senior, left half; Henry Hummert, 6-1, 205, senior, fullback; and Tony Maniaci, 6-1, 172, junior, right half.

Secondary changes on defense are George Zellmer, 5-9, 180, senior, right halfback; Kenny Ellering, 5-11, 175, senior, left halfback; Steve Humphrey, 5-11, 150, junior, safety; and "Monster Man" Paul Vonkme, 5-7, 165, senior.

Safety Treatment for Halloween Costumes

Halloween costumes can turn into fire hazards unless they're treated with a fire retarding solution. You can apply the treatment at home for only a few pennies and a few minutes' effort.

Prepare the solution by mixing seven ounces of regular laundry borax and three ounces of boric acid with two quarts of water. If you can't find boric acid at the supermarket, look for it at the drug store.

Mix enough solution to thoroughly saturate the fabric. Dip cloth costumes into the solution and let them drip dry. Or, apply the solution with a spray. This fire-retarding agent is temporary and does not harm cloth. Regular laundry procedures will remove it from sheets, pillow cases, towels and other washable materials.

Place paper costumes on hangers so they can hang freely. Apply the solution with a spray, and let the costumes dry completely before your children wear them. Salt crystals from the solution will probably form, but they will gladden and add an extra touch to the outfit.

Flyers to Open Year; 4-1 GCHS Will Visit

East St. Louis is out of contention in the Southwestern Conference, having forfeited games to Alton and Edwardsville due to the school district teacher dispute there. GCHS is still a title aspirant but could encounter formidable opposition at 1:30 p.m. Saturday on the East St. Louis gridiron.

It will be the first actual game for the Flyers. The Warriors are 4-1 overall and 2-1 in league play, the only setback being a 15-13 loss to unbeaten Alton.

That the Flyers want to play football is evidenced by the 60 players who have been faithfully practicing and hoping for a game in the past two months. In addition to the conference tilts, they have forfeited to Soldan, Lincoln and Thornridge.

Cochon D. Hopcus

State approval has been given for Saturday's game, but Fred Cameron will not be allowed to coach due to the curtailment of class. As it stands now, Principal Leroy Duckworth will direct the team.

Cameron has been allowed to lead the drills but Illinois High School Association rules prevent him from coaching a game unless he teaches at least two classes a day.

The Flyers' mentor makes no predictions about the outcome. "Players frequently react differently to an actual game than on the practice field. Of course, one thing in our favor is that we have no major injuries."

"I have nine lettermen back and in general we will be playing juniors and seniors. One sophomore, Carlos Ward, 6-0, 175, will be at defensive guard. Warrior Coach Wayne Williams, who will be coaching Saturday, noted that a forfeit would have ended the healing of some GCHS injuries but said the squad will be ready for battle.

"While East St. Louis is heavy, we have the advantage of having played five games. They'll still be tougher than the Flyers in 153 games earned 121 wins and 10 ties. There were undefeated seasons in 1956 (9-0), 1958 (10-0) and 1965 (9-0-0).

A year ago, the Warriors ground out 140 yards on the ground and threw for 83 yards to topple the Flyers 21-6, but they are behind in the series, which spans 50 years.

Williams may not have the talents of two starters available Saturday. Jeff Melzer, right end, and Joe Wallace, defensive right linebacker and the team's place kicker, are uncertain. Melzer has an ankle injury and Wallace a knee injury.

Starting Flyers

The line for the Flyers will be: George Slack, 6-0, 160, junior left end; Alva Brown, 6-0, 170, senior left tackle; Dalphene Overton, 6-0, 180, senior left guard; Roger Eddy, 5-11, 175, senior center; Sidney McIntire, 5-10, 170, junior right guard; Sam Thompson, 5-11, 175, senior right tackle; and Melvin Weston, 6-1, 170, senior right end.

The Flyer backfield will be: Charles Martin, 5-11, 152, senior quarterback; Verdel Jones, 6-0, 178, junior right half; Cortez Ward, 6-2, 185, junior left half; and Floyd Cobb, 5-11, 170, junior fullback.

The Flyer defense will include Myron Bones, 6-1, 185, senior left end; Tyrone Gillespie, 6-0, 185, senior left tackle; Keith McEwen, 6-2, 185, senior right guard; Morris Hunt, 6-0, 195, senior right tackle; Morris Hunt, 6-0, 170, junior right end; Eddie Smith, 6-0, 185, senior inside line backer; and Gregory Lewis, 5-11, 175, senior inside line backer.

Backs for the East St. Louis team on defense will be Harvey Gordon, 5-11, 185, junior Marion Stallings, 5-10, 150, senior Ernest Matthews, 5-11, 155, senior and Reginald Herron, 6-0, 145, senior.

National Spotlight on Soccer Twinbill Here

The SIU-SW Cougar Field will be the scene of action for four of the best college soccer teams Saturday.

It will be the annual homecoming and the Cougars of Coach Bob Guetler face a tremendous University of British Columbia team in the second game of a college twinbill that has soccer fans drooling.

In the first game, at 1 p.m., the St. Louis University Bills, defending NCAA champions, will meet the University of South Florida squad in a contest featuring nearly all St. Louis area players. The Bills are ranked No. 1 in the nation, while South Florida is No. 1 in the South.

Last Friday, the Canadian team played nationally ranked No. 3 San Jose State College to a 1-1 deadlock and on Saturday the No. 4 San Francisco Dons were held to a 3-3 score by the visitors.

With Guetler's Cougars taking over the No. 9 spot in the Midwest rankings Monday, SIU-SW could regain a spot in the national top ten this week, until their 1-0 loss to Quincy College two weeks ago, the Cougars had advanced to fourth in the nation.

Helping the Cougars regain their status in the regional and national rankings was their convincing 4-1 victory over a tough University of Missouri at St. Louis club last Saturday.

Regaining Full Strength
In their victory over UMSL, the Cougars were nearly back at full strength after three weeks of crippling injuries and sickness which had sidelined their regular goalkeeper, Jim Stranz, and defensive ace, Joe Galvin.

John Deinoski and Tom Howe were back at nearly full recovery. Only Fred Faucett is out. He will miss the rest of the season.

Chris Carezza, freshman "striker," scored two goals to pace the Cougars over UMSL and drew within one point of the total racked up by his big brother, John, who leads SIU-SW scorers with seven.

Young Carezza's emergence as a scoring threat has fulfilled Guetler's hopes for this season. "We knew that we needed another 'striker' to take the pressure off John," Guetler explained, pointing out that most SIU-SW opponents last season and this were simply "teaming" on Big John.

"Chris gives us that striker," Guetler said, "and if they stop John and Chris, they'll have to worry about Jack Blake and Tom Howe."

Sophomore Defense Stops Wood River
The GCHS sophomore football team racked up a victory, 24-0 at Wood River, on Monday. Its record is 2-2.

The sophomore team is developing an excellent defense; in the last three games, it has held opponents to only five first downs.

Halfback Dave Macios scored two touchdowns on 28- and 55-yard runs. Quarterback Kirk Hulse tallied on a 40-yard run and Rich Schooley, playing split end, scored on a 30-yard pass from Hulse. Jim Stagner, halfback, scored on a nine-yard run.

Extra points were a conversion pass from Hulse to Tom Vrenick and two place kicks by Brad Hiles.

The sophomores will play at East St. Louis Monday at 3:30 p.m.

Rifle Competition Scheduled Saturday
The John Marshall Gun club will hold a 22-caliber rifle shoot Saturday from 10 a.m. to 4 p.m. at the club, located off Highway 182 near East 23rd street and Narmokel road.

The shoot is open to the public. Each participant must furnish his own rifle and ammunition.

A \$1 entry fee will be charged. Persons wishing more information may contact Don Ballard, 2663 E. 24th street, 877-5258.

CHRIS CAREZZA CONNECTS on a couple of Cougar goals. The SIU-SW soccer team defeated the University of Missouri, St. Louis, 4-1 here Saturday. Playing a big and key role in the Cougar kickers' victory was Chris Carezza, right, in white, who moves toward the ball as UMSL's Greg Kramer (head band) and Tim Kruse attempt to move in front of the advancing ball. Carezza scored twice.

Thompson Signs to Pitch for Cardinals

Bruce Thompson of Granite City is in St. Petersburg, Fla., to begin training with the St. Petersburg Cardinals, a farm team of the parent St. Louis club. The strong young pitcher signed with St. Louis to play in the Florida Instructional League.

Thompson was the Southern Illinois University-Western campus' leading pitcher this season and led Collinsville Mollars to the season championship in the Inter-City Baseball League.

In the Inter-City play, he compiled the best earned run average in the league, 1.39. He also had led the league in 1968 with an ERA of 0.89. He pitched 58 innings in eight games this year and earned a 4-2 record for 1970.

Thompson led the SIU-SW Cougars to a 23-5 season with an undefeated 7-0 record. He recorded 34 strikeouts and 17 walks and ended the season with an ERA of 2.06. The Cougars advanced to the final game of the Mid-East Regional College Division Tournament.

Young Trojans Roll Over Mater Dei
Madison high school's sophomore football team defeated Mater Dei of Brenese 42 to 6 Monday night in a road game.

It was the second victory for the young Trojans, giving them a 2-and-2 mark. The MHS sophomores will play Dupo at Madison at 7 p.m. Nov. 2.

Coach Al Vander Haar said "It was good to see the kids playing well together. This is a good sign for Madison football."

Homecoming Festivities Begin Today at SIU-SW

A new event, the Miss SIU Pageant, has been added to festivities for Southern Illinois University-Southwestern's 1970 Homecoming. The celebration continues today through Saturday.
The pageant starts at 8:30 p.m. today in Meridian hall of the University Center. Contestants will be judged on talent, poise and evening gowns. Comedian George Foster will serve as master of ceremonies.

Foster has performed with Andy Williams, Buddy Hackett and Bob Newhart. The winner of the pageant will reign throughout the year and over many of the events scheduled for the Homecoming weekend.
Events for Friday include a Cougar reception in the Cougar coffee house starting at 7 p.m. and a pep rally and bonfire at 7:30 p.m. east of parking lot 9 on the campus. Two area bands, "Seven" and "Syndicate of Soul," will be playing in Meridian hall beginning at 8:30 p.m. The "get together" dance will be casual. Admission will be 50 cents per person with student identification cards and 75 cents per person for all others.

Homecoming Parade

The Homecoming parade be-

gins at 10:30 a.m. Saturday in downtown Edwardsville. Floats from different student groups and departments will follow the theme, "You've Come A Long Way," dramatizing SIU-SW's growth in five years to more than 13,000 students. Awards for the best floats will be given by the Alumni Association.
An alumni reception will be held from 1 to 2:30 p.m. Saturday in the Patio room of the University Center. All alumni, students, faculty and friends are invited. Refreshments will be served.

Following the reception, SIU and the University of British Columbia will meet in a soccer match beginning at 3 p.m. Halftime entertainment will be provided by area high school bands. Miss SIU-Southwestern will be recognized and awards will be presented to builders of winning floats.
Topping off the weekend will be a "Nightclub Concert" beginning at 8 p.m. Saturday in Meridian hall. The ballroom will be transformed into a nightclub, featuring the "Goodyear Blimp Band" and Michael Holladay. The dance will be semi-formal, with tickets available at \$1 per person at the door.

SENATE BILL 97 — Balance on Sept. 30 was \$444,712. Total available funds amounted to \$653,332 including a beginning balance of \$90,422. Expenses totaled \$190,639 during the ten months of the fiscal year. Account has investment of \$196,750 in U. S. Treasury bills.

3 Pickup Trucks Damaged in Crash

Peter G. Measki, 28, of 2042 Thirteenth street, was charged with driving while intoxicated at 12:01 p.m. Wednesday, following an accident near the West 20th street railroad tracks in which his own pickup truck and two others were damaged. Police reported that Measki, traveling north on West 20th street, ran into a pickup truck, parked at the curb, owned by George Woods, 2517 Pine street. The impact forced Woods' vehicle into a second pickup truck, also parked, belonging to Russell G. Gowan, 1613 Mitchell avenue.

Measki was released from custody at 7 p.m. yesterday on payment of \$25 cash bail and losing of his driver's license, the report stated.

Hill-Road Damage
A hit and run motorist struck the rear of the auto of Phyllis Carterson, 2202 Lee avenue, while it was parked on the Grants City Steel Co. parking lot, 21st street and Lee avenue, Tuesday.

Boy, 7, Rides Bike Into Passing Auto
An accident in the 3100 block of West 20th street in which a young bicyclist ran into the side of a moving car was reported to police at 5:30 p.m. Wednesday. The child was not injured.

Mrs. Mary M. Fields, 3040 Denver avenue, driving west on 20th street, said her auto was struck on the right side by a bicycle ridden by Mickey Bays, seven, of 2311 Independence avenue, who was turning off the sidewalk into the street. The boy rode into the auto from front of three vehicles parked at the curb, the motorist said.

Store Burglary Nets \$4135 In Clothes; Enter 6 Homes

Looting of a Madison clothing store and burglaries of six homes were among 12 crimes reported this week to Quad-City and Madison county authorities.

Burglars took more than \$4135 worth of men's clothing from Glik's department store, Third street and Madison avenue, Madison, during the night, it was reported to police at 7:55 a.m. Tuesday.

A window in the east side door was broken to gain entrance.

Taken were 21 suits valued at \$1680, 10 leather coats worth \$800, 25 shirts valued at \$225, 100 pieces of men's underwear worth \$300, 60 ties valued at \$240, 30 pairs of jeans and slacks worth \$225, 15 sweaters worth \$225 and 27 pair of socks worth \$40. The loss was only partially insured.

Police found 11 pairs of jeans dropped from the door to the rear of the building. A floor hanger unit also had been moved near the broken door.

Scream Rescued
Mrs. Mildred Myatovich, 1863 Edwardsville road, told police that she awoke at 1 a.m. Wednesday and found a young man, about 20 years old and with long hair to his shoulders, standing in her bedroom. She said she screamed and the burglar fled through a side door with about four or five dollars he took from the home.

Value of items taken in a burglary at the home of Rosemary Bailey, 1608 1/2 Edwardsville road, was estimated at \$5000 to \$6000, it was reported to sheriff's deputies Tuesday afternoon. Taken from the home were an assortment of hand tools and heavy equipment, two television sets including a large color set valued at about \$420, an old tool chest valued at about \$250. Thieves first opened the garage door and broke the kitchen door to gain entrance.

Home Burglarized
A portable television, and a hair piece were taken from the home of Mrs. Helen Jacks, 1040 Douglas street, Venice, in a burglary reported to police at 11:40 a.m. Tuesday. A plastic section of the front door was pushed in to gain entry.

A color television taken from the home of Ray Goan, 2819 East 29th street about 8:30 p.m. Tuesday, was recovered by police in the 2400 block of Anchorage avenue a short time later after it apparently fell from the truck used in the bur-

glary. Goan told police entry to his home was gained by kicking open a rear door.

Food Stamps, TV Stolen
Jesse Swope, 111 Jackson street, told police at 11:30 a.m. Tuesday that \$104 worth of food stamps and a portable television were taken from his home overnight.

Burglars entered the home of James Schmidt, 1005 Alton avenue, Madison, through an unlocked back door and took a portable stereo from the basement, he told police at 12:30 p.m. Tuesday.

Several cases of bubble bath and an undetermined number of lawn mower engines were taken from the Vandallia Warehouse Corp., 1100 Niedringhaus avenue, it was reported to police at 1 p.m. Monday.

Emergency Room Entered
A surgical room at St. Elizabeth Hospital was entered between 5 and 5:30 p.m. Wednesday, according to a report made to Granite City police by Jim Dwyer, evening supervisor.

The hospital employee said the glass of an entry door was found partially open. A light burning inside the room when attendants returned after a half-hour absence.

A key to the surgical instrument drawer was discovered in a waste basket. No forcible entry was noted and it had not yet been determined if any items were taken, the supervisor said.

A light-track stereo tape player, valued at \$70, was stolen from an auto, owned by Danny Stephens, Rural Route Two, Box 536, between 7:30 a.m. and 12:45 p.m. Tuesday, the owner reported to police. The theft occurred while the vehicle was parked in the Granite City high school parking area, with the thieves entering the auto by prying open the left wing window. A stereo tape valued at \$77 were taken.

Two spare wheels with tires valued at \$100 were taken from two new trucks on the B. E. Hohlt Ford sales lot, 1337 Madison avenue, it was reported at 3:20 p.m. Monday.

Tape Player Taken
A stereo tape player and one tape valued at \$77 were taken from the auto of Danny Stephens, Rural Route Two, Box 536, while it was parked in the Granite City high school parking lot. Stephens reported at 12:45 a.m. Tuesday. The left wing vent was pried open.

18 Area Traffic Accidents Cause Injuries to Nine

Nine persons were injured in six of 18 traffic accidents which occurred this week on Quad-City area streets and highways. Victims in one mishap were transferred from St. Elizabeth Hospital to St. Louis hospitals.

Four persons were injured in an accident on Highway 162, near Eduardo drive at 5 p.m. Tuesday when two cars collided head-on in the eastbound lane.

Angelina Belovich, 50, of Highway 162, driver of one of the cars, was taken by ambulance to St. Elizabeth Hospital where she was treated for a nose laceration and a contusion to her forehead, and was transferred to Jewish Hospital, St. Louis.

Cathleen Pritchett, 30, an occupant of the other car, was treated for facial lacerations and cuts to both knees. She also was treated at St. Elizabeth Hospital and transferred to the intensive care unit of Jewish Hospital.

Others injured in the Pritchett auto were Nevada Lee Pritchett, 5, who was transferred to Cardinal-Glennon Hospital, St. Louis, after being treated here for lacerations to his nose and right cheek and abrasions and contusions to his left leg; and Stanley Pritchett, who was treated for a laceration to his chin and pains of the left hip. He was transferred to Jewish Hospital.

Police said they were unable to determine who was driving the Pritchett auto at the time of the collision.

Walter Marzluft, 18, of 2242

NEW MEMBERS initiated into the Granite City Rotary Club at their luncheon Tuesday in the YMCA were, left to right, Ray Baugh, Don Noys, Dale

Dickey, Earl Dotzader, Ray Smith and Jim Karandjeff.

Cleveland blvd., was admitted to St. Elizabeth Hospital after his motorcycle collided with a northbound truck driven by Macel Perimeter, St. Louis, on Adams street at 22nd street at 4:15 p.m. Monday. Perimeter was ticketed for failure to yield the right of way. X-rays of Marzluft's hips, left shoulder, elbow, chest and ribs were made.

Ray Guenther, 32, of 1926 Fifth street, Madison, was admitted to St. Elizabeth Hospital complaining of neck pains after he was injured in a three-car crash at 8:55 a.m. Tuesday

on Broadway at Market street in Venice.

Guenther said he was stopped for a stop sign at the intersection when the autos of Charles Drago, Jennings, Mo., northbound on Broadway, and John Rhoads, 1541 Market street, Madison, eastbound on Market street, collided in the intersection. Rhoads' auto was thrown into Guenther's car.

X-rays of Guenther's elbows, skull and spine were taken following the crash.

Boy Injured by Car
A nine year old boy suffered a broken leg and possible internal injuries when he ran into a utility pole and ran

the side of a car driven by Freda T. Street, 2724 Stratford lane, in the 1700 block of Pontoon road at 3:45 p.m. Tuesday.

Randy Bailey, son of Mrs. Rosemary Bailey, 1608 Union avenue, was treated at St. Elizabeth Hospital and transferred to St. Mary's Hospital, East St. Louis.

Police said he was running east on Pontoon road and suddenly ran across the road and into the moving auto.

Walter W. White, 39, of 2128 Dewey avenue, was charged yesterday after his auto struck

through a fence in the 3000 block of Nameoki drive, according to police. He is appear in magistrate's court by Nov. 8.

Police said that White was driving east on Circle drive when he apparently lost control of his vehicle, ran off the roadway, struck the utility post, passed through a fence and came to a halt in a yard at 3009 Nameoki drive. The motorist was injured in the crash, according to the police report.

Schermer Bros. Observing 67th Year of Market

The Schermer Supermarket, 12th street and Madison avenue, Madison, is observing its 67th anniversary with a variety of special activities during late October and early November, it was announced today.

Operated during the post war era as the Schermer Brothers Supermarket by Leo, Avery and the late Stanley Schermer, the establishment was founded in 1903 by their late father, Herman Schermer, a charter member of the Madison Rotary club.

Their late mother, Mrs. Helen Schermer, who also was active in operation of the store at one time, helped organize the Madison public library.

the third quarter this year and \$138,605,000 for the first nine months compared with \$47,184,000 and \$121,600,000 for the corresponding periods in 1969.

"Our major problems this year have been continued increases in the cost of virtually everything we buy and shortages of some essential raw materials," Mr. Veeder said. "In the third quarter, raw material cost increases were greater than in any other quarter throughout the current inflationary period."

Guard Against Highway Hypnosis

Most people agree, that expressways shorten traveling time. But expressway travel can become monotonous and also dull your reflexes. In other words... highway hypnosis sets in.

However, you can take precautions to help you stay alert while you drive.

—Begin any long trip or driving stretch after a good night's sleep. Fatigue will hamper your driving ability.

—Postpone eating a big meal just before or during a long trip. Instead... stop often and eat small amounts of food.

—As you drive, change your speed and body position often.

—Move your eyes constantly—looking at objects near, far and to both sides.

—Fresh air circulating in the car will help prevent drowsiness.

The danger of highway hypnosis increases at night. So try to do most of your driving during daylight hours. Despite these precautions, you may experience blurred vision or heavy eyelids. If you notice such symptoms... stop and rest. Highway hypnosis may be setting in.

Bridge "The Gap" With Honest Discussion

If the generation gap exists in your family, attack the situation—the existence of the gap—not each other.

This less personal treatment might help you communicate more about the real problem.

There's no use arguing who's right and who's wrong. Instead, talk honestly about your own feelings and how you see the whole situation. Listen to your child's opinions on the subject.

Perhaps it would prove beneficial for both sides to take another look at themselves. Children can be over-sensitive about their independence. And parents can be too hesitant to let their children move to independence for fear of losing them.

Part of the problem lies in each generation having a preconceived idea of the other one. To bridge the generation gap, parents and teens need to help each other overcome this perhaps faulty image. Children can help their parents let go. And

parents can let their children grow more independent.

Adults sometimes sell youth short. Our fast-paced culture makes it possible for youth to sometimes play the role of the teacher. Ask your teen-ager about space travel or machine teaching aids. He might surprise you on how much more he knows than you do in these fields.

Men Safer at Work

Your husband is safer at work than at home. This may come as a surprise to you, but men are more subject to accidental injury and death in the home.

Why? Men follow safety rules for use of tools, machines and chemicals while at work... but at home they risk ignoring instructions and refusing to use protective equipment while doing a simple and often hazardous job.

Men are usually required to clean up their working area when finished. At home they tend to leave tools, wire, nails and other hazardous material in places where accidental injury might occur.

To reduce home accidents, encourage your husband to adapt the same safety rules at home as he observes on the job.

Chats With Parents

A new issue of Chats With Parents, the publication for parents of pre-school and grade school children, is off the press. This issue is on "Helping Your Child Behave." It tells about why children may not understand why they should not touch something, when you can expect your child to know better and why he will have variations in behavior. If you wish to be placed on the mailing list for future issues or just want to request this issue, call or write the Home Economics Extension Office at 800 Hillsboro avenue, Edwardsville, telephone 656-4622. There is no charge for the leaflet.

County Museum Society Plans Sunday Meeting

The annual fall meeting of the Madison County Historical Society, Inc. will be held Sunday at 2 p.m. in the Collinsville city hall.

The program, "The Indian Mounds and Their Builders," will feature Sidney Denny, department of Anthropology, S.U., as speaker. Joseph L. Webb, Ranger of Mounds State Park, will speak on "The Development of Cahokia Mounds State Park."

Mayor Lewis T. Krause, Collinsville, will give the address of welcome with a response by Supervisor Gilbert W. Killinger. Collinsville, Frank A. Kahl, Kahok Indian dancers will furnish entertainment. Musical selection will be rendered by the Collinsville High School Chorus under the direction of Mrs. Rhoda Gibson. An artifact display by Mr. Joseph E. Berta, also of Collinsville, will be an added attraction. Mr. Irving Dillard arranged the program.

The Madison County Historical Museum, in Edwardsville, will be closed for the fall meeting.

Boyer Installed as New Master Councilor of Demolay Chapter

Paul Boyer was installed as master councilor of the James Stuart chapter, Order of DeMolay, along with other senior and junior line officers in a public ceremony at the Masonic Temple on Tuesday night.

The installing team was composed of members of the Granite City Court of Chevaliers. Installing officer was George Slattery, installing senior councilor, Gilbert Watson; installing junior councilor, Chuck Hileman; installing senior Deacon, Roland Kennedy; installing marshal, Robert Maxwell; and installing chaplain, Everett Steele.

Senior Officers
Other senior line officers installed were: Bruce Hawkins, senior councilor; Steven Ebrecht, junior councilor; Hiram Ables, chaplain; Thomas Allard, treasurer; A. H. "Tim" Noud, scribe; Paul Miles, senior deacon; Billy Mihl, junior deacon; Carl Harrison, senior steward; David Ledbetter, junior steward; Robert Hollebeck, sentinel; John Young, standard bearer; Gerald Lackey, altar boy; Bruce Van Meter, marshal; Albert Stevens III, orator.

Ronald Jones, 1st preceptor; Scott Mangan, 2nd preceptor; Terry Barton, 3rd preceptor; Michael Hickey, 4th preceptor; Steve Doreghazi, 5th preceptor; Robert Mueller, 6th preceptor; Keith Lee, 7th preceptor; and William Wittkamp, assistant scribe.

Junior Line
Junior line officers were: master councilor, David Michels; senior councilor, Gary Bogovich; junior councilor, Robert Burgess; chaplain, Glen Halfacre; treasurer, Kenneth Mueller; scribe, Richard Chandler; senior deacon, Steven Phillips; junior deacon, John McCarty; senior steward, Randol Shrum; junior steward, William Karius; sentinel, Earl Fanning; standard bearer, David Van Meter. Altomer, Joseph Swigert; marshal, James Young; orator, Randy Bergfeld; 1st preceptor, Gary Love; 2nd preceptor, John Alsop; 3rd preceptor, Larry Keaveney; 4th preceptor, Schermer; 5th preceptor, Dewey Obermeier; 6th preceptor, Brad Hiles; 7th preceptor, Dennis Harris.

Bethel 43, International Order of Job's Daughters, led by Christie Christich, honored

queen, assisted in the installation and "formed the cross" prior to the close of the installation. The job's choir sang selection for the incoming chapter.

Miss Debbie Hightower sang a solo as the master councilor was being installed. Miss Beth Ann Ledbetter accompanied Miss Hightower and the choir and played for the installation march.

Honor State Sweetheart
Miss Peggy Carson, state of Illinois DeMolay Sweetheart, was escorted to the East and presented a corsage by Boyer. Miss Carson also holds the title of Miss Southern Illinois DeMolay sweetheart and is the chapter's 1970 sweetheart.

This was her first official visit to the chapter since being elected state sweetheart. At the dance following the installation, the first dance was dedicated to her.

Mrs. Dona M. Boyer, mother of the newly installed master councilor, was escorted to the dance by Bill Wittkamp, where Paul Boyer presented her with an arm bouquet of roses.

Gilbert Watson, co-chairman of the advisory council and holders of the blue honor key award with two stars, presented a blue honor key to Steven Ebrecht.

The key is awarded by the International Supreme Council for bringing ten members into DeMolay.

Mothers Applauded
Mrs. Betty Ebrecht was introduced as president of the Mothers' club. She introduced the other officers: Mrs. Ruth Norton, vice-president; Mrs. Shirley Schilling, treasurer; and Mrs. Frankie Hickey, chaplain, and asked the other club members to stand.

The master councilor thanked the club for the many ways it helps the chapter and the mothers were given a standing ovation by the DeMolays.

The other co-chairman of the advisory council, George Slattery, presented a "hatsoff" award to Mrs. Betty Ebrecht. The award is for outstanding service to DeMolay and consists of a pin, a certificate and a wallet card.

Steve Hileman, retiring master councilor, was presented his past master councilor's level by Chapter Advisor Charles Meyer. Hileman in turn presented Paul Boyer with the master councilor's pin.

Hilemans Present Bible
In a special presentation, the chapter was given a new Bible for the altar by Chuck and Steve Hileman, brothers, now both past master councilors of the chapter. Chuck Hileman is present state senior councilor.

The Bible replaces one given to the Granite City chapter, Order of DeMolay, in May 1923 by Chapter 650, Order of the Eastern Star.

DeMolays and advisors from Alton, Collinsville, Edwardsville and Jerseyville were introduced and spoke briefly, as did Floyd Watson of Alton, Illinois Knight Commander of the Illinois Priory, Order of Knights Templar.

Rev. David B. Maxton gave the benediction and the installation was adjourned for refreshments by the Mothers' club and dancing to the music of the "J. Christophers."

ALOHA GREETINGS are extended to travel agents after their arrival at Honolulu as part of a familiarization program for mainland agents. Greeter Girl Kuipio Cairns, center, was on hand with flowered leis and a warm aloha for Mrs. Mildred Harper, Sikeston, Mo., left, and Mrs. Betty

Parker of Holiday Service, Granite City. The familiarization program, when completed at year's end, will include the movement of 1100 travel agents to Hawaii—about 100 a week. Many are making their first visits to the 50th state.

Committee More About

was pointed out that the resolution specified the ground could be used for "street purposes only" and that such designation might interfere with development of sewage, drainage and utility facilities.

Proposed construction of a third major traffic artery from the city center to the west side of downtown Granite City, relieving the Fehling road and Madison avenue routes of at least part of its present traffic congestion, has been under consideration for the past five years.

The alderman, who began development of the project when he formerly was chairman of the city's street and alley committee, said survey work has been completed and from 50 to 60% of the right of way needed for the project has been obtained.

The stretch of right-of-way needed from the GM&O, which will be sought by the committee, is necessary to the next step in development of the street program, Robertson said. He added that once that right-of-way becomes available, it will be possible to obtain an estimate of construction and total right-of-way costs as a preliminary to preparation of construction plans.

Connecting Point Uncertain

The proposal calls for extension of the new street from a point in the vicinity of Pontiac road and Nameoki road, extending along the railroad tracks to either 24th street or 26th street, Robertson said. The connecting point has not been determined.

In either case, Robertson said, the new street would connect with Adams street over which the downtown area would be reached. In addition, the alderman pointed out, Adams street also could carry traffic to Niedringhaus avenue over which direct connecting would be made with FA Route 151 (the Great River Road) at which it is extended southward to Ward street.

Council members decided Monday night to arrange a meeting with representatives of Harlan Bartholomew & Associates, St. Louis planning and engineering firm, to discuss federal and state grant potentials for eventual development of the proposed downtown Division of Highways that would be an overpass on Niedringhaus avenue at the railroad tracks.

On a suggestion by Alderman Walter Nann, council members agreed to arrange a meeting Monday night to discuss the city's ineligibility for financing part of the downtown mall under the U. S. Department of Transportation's Traffic Operation Program to Increase Capacity and Safety (TOPICS).

Under plans prepared by Harlan Bartholomew & Associates, the mall project provides for a mall along Niedringhaus avenue from the intersection of the new street from Cleveland boulevard to State street.

Larson told the council that the mall would affect traffic patterns on streets bordering the central business district, projects on those streets might require TOPICS financing.

Mayor Donald Partney suggested the city might be eligible for some funds under the federal beautification program, through the Housing and Urban Development Agency (HUD).

Ideas on What to Serve at A Halloween Season Party

Halloween — perhaps October's most well known holiday — calls for a party. And the energetic hostess who can hold out the traditional pumpkin and use some imagination may come up with an interesting "Jack-O-Lantern" get-together.

A menu of Witch's Brew, Halloween Ovals, Storm Cloud Dip, Halloween Layer Cake, and Love Potion are a few recipes offered by Southern Illinois University home economist Jan Harper, to prepare some tasty Halloween treats.

Table decorations for the party might consist of bright orange tablecloths covered with black nylon net; orange and yellow streamers; and smiling pumpkin centerpieces filled with pyracantha.

Here are some recipes:

WITCH'S BREW

- Serves 12
- 2 lbs. beef, cut in 1-inch cubes
- 8 tablespoons flour
- 6 slices onion
- 1/2 teaspoon pepper
- 4 tablespoons bacon drippings
- 1/2 cups diced carrots
- 1 cup diced rutabaga
- 2 cups diced potatoes
- 1 cup tomato paste
- 2 bay leaves
- 1/2 teaspoon curry or saffron (optional)
- 1 teaspoon salt
- Crushed ice
- Roll meat in flour and brown in bacon drippings. Cover with water and boil until almost tender. Add vegetables and seasonings and cook until all are tender. Serve in individual sauce dishes or over cooked rice.

STORMY CLOUD DIP

- (yields 1 cup)
- 1 small hollowed pumpkin
- Crushed ice
- 2 tablespoons melted margarine
- 1/2 pound frozen Chicken livers
- 1/2 tablespoon mayonnaise
- 1 tablespoon catsup
- Shrimp, olives, carrot wedges
- Footcups
- 1 tablespoon grated onion
- 1/2 teaspoon prepared mustard
- 1/2 teaspoon salt
- 1/2 teaspoon pepper
- Thaw chicken livers according to directions on package. Cook chicken livers in simmering water 10 minutes. Drain and cut into small pieces. Place with remaining ingredients in an electric blender. Blend to a smooth paste. Cover and refrigerate for several hours.
- Fill hollowed pumpkin with crushed ice. Insert a container to hold Stormy Cloud dip. Dip shrimp, olives, or favorite dunking food on end of toothpick and wedge into the pumpkin. The pumpkin may also be placed on a large platter and surrounded by potato chips and cracker nibbles.

HALLOWEEN OWLS (MAKES FIVE OWLS)

- One 6-oz. pkg. (1 cup) semi-sweet chocolate pieces
- 32 large fresh marshmallows
- Fill patterns on streets bordering the central business district, projects on those streets might require TOPICS financing.
- Major Donald Partney suggested the city might be eligible for some funds under the federal beautification program, through the Housing and Urban Development Agency (HUD).

Darrel Jarman Recovering

Darrel Jarman, 6744 Lake drive, is recovering at St. Elizabeth Hospital from major surgery which he underwent Tuesday. His condition is satisfactory and he is allowed visitors in Room 214.

MORE ABOUT GC Will

In instances where there is no request for annexation by occupants of the land involved, a municipality may petition for annexation of not more than ten acres at one time.

He explained, however, that since there are no occupants as such involved in the annexation proposal it is possible the court could approve the Madison ordinance in the absence of any objections. The court almost certainly would take a different view of the proposal if objections were filed, Scroggins said.

On a motion by Basarich, with a second by Nann, the council authorized Scroggins to file objections to oppose the Madison city council's annexation in the court hearing when it is held.

The Madison city council voted to annex a 33-acre area of the depot in its regular council meeting Oct. 13. Mayor Mike Sayvik pointed out that the area proposed for annexation is contiguous to Madison corporate lines and lies entirely within Madison city limits. He said none of the land proposed for annexation encroaches on that part of the depot in its regular corporate boundaries of Granite City.

Reject Pay Limitation

The council rejected by a 7 to 6 vote an ordinance providing that no salary raises would be permitted for city hall employees during their first year of employment. The ordinance was voted down after considerable discussion of the affect such a law would have on the salaries for the police and fire departments.

The ordinance was brought in as a result of the recent dispute in which city hall workers went on strike to obtain a raise equal to that given earlier to other city employees.

The council also adopted an ordinance restricting parking to one hour on Niedringhaus avenue from 6 p.m. to 10 p.m. and on Maple on the southeast side, and setting a one hour parking limit on the southeast side of Maple street from its intersection with Niedringhaus avenue to the alleyway.

A resolution calling for installation of new firetrucks on the northeast corner of Briarwood and Briarhaven and on the east side of Palmer street at Garden avenue, also was approved.

Base salaries of \$32,252 due city workers from May 1 to settlement of new wage schedule, the 1970-71 budget were approved for payment during the Monday council session.

Mrs. Villa Ridings was crowned "queen of the week" during the Tuesday night meeting of the Future Slenderettes. She received the club's crown pin and a basket of fruit.

The new queen presided over a business meeting in the absence of the club leader, Mrs. Peggy McGeehe. A weigh-in and roll call were completed by Mrs. Christine Espamer. The treasury report was read by Mrs. Pat Wickman.

Members will be attending the Area Day at August's in Belleville Saturday. Gifts were received from the members and will be used as prizes in the club's current six-week contest. Others present were Mrs. Helen Wilson, Mrs. Helen Patterson and Mrs. Judy Webb. The club will meet again Tuesday night at the East Side Levee office.

PINOCHLE CLUB DINNER
The Tuesday Night Pinochle club held a social evening this week, enjoying dinner at the Rose Bowl. Members present were Mesdames Betty Thompson, Laura Scarborough, Judy Stucke, Evelyn Ferro, Neil Tully and Edith Ryan.

Mrs. Ryan has invited the club to her home, 2566 Iowa street, for the next meeting on Tuesday, Nov. 17.

BIRTHDAY SKATING PARTY
Tammi Terrell celebrated her 11th birthday at a roller skating birthday party held Tuesday afternoon at the Stardust skating rink. Ninety guests attended, including the honoree's sixth grade classmates at Nameoki school and friends from Suburban Baptist Church.

Games were played, and prizes awarded. Hostess was Mrs. Billy Terrell, mother of the guest of honor, who was assisted during the afternoon by Mrs. Frank Kraus, Mrs. Jerry Garnett and Mrs. Donald Hillard.

A large sheet cake decorated in autumn colors and reading "Happy Birthday, Tammi" was served along with soda.

CUB PACK 46 HAS COWBOY INDIAN THEME
Cub Pack 46 met Tuesday night in the gym at Nameoki school, which was decorated with a golden yellow 10-foot high tepee complete with flickering fire, signifying the "Cowboy and Indian" theme for the month. The arrangement was made by Mr. and Mrs. Marvin Spole and Mr. and Mrs. Bennie Miller.

Den 2 recited a poem and led the audience in the pledge of allegiance, under the direction of the leader, Mrs. Helen Miller.

A grand march of all the costumed scouts was led around the tepee and fire. The costumes were judged by Mrs. Katie Wilson, president of the Nameoki PTA, sponsor of the pack, and Louis Bunch, institutional representative for Boy Scout Troop 5 of Nameoki United Methodist Church.

Winners in the Indian costume category were "most original, Jeff Vaughn; funniest, Russ Chapell; and wisest, Eric Miller. All three boys are members of Den 2. Prizes for the cowboy costumes went to Mark Mabry, Den 4, most original; Scott Hill, Den 6, funniest; and David Holman, Den 4, wisest. Each winner was presented a miniature car.

Skits were presented by Den 1, an Indian dance directed by den mother Mrs. Mary Jean Mann; Den 2, Mrs. Helen Miller, den mother, an Indian circle pipe ceremony; Den 4, directed by Mrs. Evelyn Mabry and her assistant, Mrs. Shirley Holman, a skit, "The Gripping Episode of Gory Guleb"; Den 6, Patricia Heatherly, den mother, portraying cowboys and Indians joining in a peace ceremony; Den 5 members and their parents and leader, Mrs. Francis Finley, introduced by Assistant Cubmaster Bennie Miller. The den held its first meeting this week.

The gym was then placed in darkness, except for the light of the campfire, and the scouts were informed contact was to be made with "Akela." As a

Mr. and Mrs. George Bugle of Old Alton road have returned home from a ten-day vacation in Florida and Dallas, Tex., where they visited their son-in-law and daughter, Mr. and Mrs. Robert Rhoades and family.

CRADLE SHOWER
Mrs. Edythe Steward was honored at a cradle shower Sunday afternoon in the home of Mrs. Nina Foreman of the Burton Addition. Hostesses were Mrs. Foreman, Mrs. Mary Clay, Mrs. Avalon Young and Mrs. Sandy Wilkinson.

The basement was decorated with white and pink streamers. A basinet decorated with streamers, located beneath a stork, held the many gifts.

Those present were Mesdames Lady Lene Starkey, Esther Bennett, Brenda Banner, Mae Bamber, Iona Uhlman, Jessie Young, Sue Lomax, Margaret Dale, Mary Johnson, Dolores Filkins, Barb Steward and Doris Steward and Misses Darlene Johnson, Belinda Bamber, Fernia Wilkinson, Jody Clay, Rhonda Sparks, Mary Young and Brenda Nipper.

Mrs. Ruthanne Weeks and Mrs. Eunice Price returned home Tuesday from Norman, Oklahoma, where they spent a week visiting Mr. and Mrs. William Bussen and family.

HONOR ROD HARTZEL ON 11TH BIRTHDAY
Mr. and Mrs. Lile Hartzel, 109 Cynthia Lane, hosted their son, Rod, on his 11th birthday with a party Sunday.

The evening was spent playing games, and cake, ice cream and punch were served. The boys also spent the night.

Those present were Eric Thoeke, Rutsy Bough, Gary Paul, Lenny McGee, Mark Presley, Greg Corey, David Marshall, John Valley and Kenny Milklin and his grandparents, Mr. and Mrs. Dale Spicer and Mr. and Mrs. George Hartzel; his aunt and uncle, Gary and Ruth Ann Hartzel; and the honoree's sister, Shelle Hartzel.

Tom-ton sounded in the distance, "Akela" entered the meeting area in full Indian dress, followed by his son playing the tom-ton. Cubmaster John Slay portrayed "Akela." He stood behind the fire with his arms folded, and related the cub scout fable.

The new scouts who were to receive their Bobcat pins received the requirements and their award in unison for "Akela." Boys presented the pins were Den 1, Kelly Mann, Greg Mutch and Phillip Belanski; Den 4, Donnie Rogers, Edward Graham, David Holman, David Lane, Mark Mabry, Harold Fry, and Douglas Nowak; Den 6, Mike Lybarger, Glenn Kasling, Stanley Fornasewski, Scott Kelton, Mike Heatherly, Scott Hill, Tommy Hurst and Ispug Maer.

Other awards presented were John Self, Den 2, bear badge and gold arrow point; One-year pin, John Papp, Den 1; John Self and Billy Kallan, Den 2, and three-year pins, Larry Libby and John Slay. Gary Spole of Den 5 was presented his bear book.

The den mothers were introduced and called forward. Mrs. Miller received a den mother pin and the others were presented with den mother emblems.

Announcement was made that the second Monday of the month will be the regular committee meeting, with the next on Nov. 9 at the home of Mr. and Mrs. Henry Mann, 1707 Garfield avenue, at 7:30 p.m. The pack meeting will be Nov. 24, and the theme for the month will be "Pioneer Days."

Norman Draper, attendance chairman, reported the Cubby award was won by Den 6 with 85% of the boys and parents present. Webelo Den 1, Wayne Miskelly, leader, was in charge of the closing. Refreshments were served by Den 1 mothers.

Home Notes

By Mrs. Catherine R. Mauck
Madison County Home Adviser,
Home Economics Extension
University of Illinois

Plentiful foods for October include fresh apples, onions, fresh potatoes, canned applesauce, canned peaches, dried prunes, pitted prunes, prune juice, broiler-fryers, eggs, canned salmon, pork, and dry beans. These foods are in abundant supply and are, therefore, lower in price than usual. They will all help make the food dollar go further and add variety and interest to family meals.

Variety For The Lunch Box Crowd

For a change from the dreary lunch-box routine, pack items such as spaghetti, chili, baked beans, stew or chicken and noodles. Or if sandwiches remain an unquestioned standby for your family, vary the menu by adding cold slaw, fruit, apple crisp, lemon pudding, bread or rice pudding, cottage cheese, canned fruit or custard. Invest in the special wide-mouth thermos containers for single servings of these hot or cold foods.

GRAHAM, MRS. WYATT

HONORED ON BIRTHDAY
The Granite City Junior Service club hosted its monthly birthday party Tuesday evening at the Colonnades nursing home.

Honored for their October birthday were Carl Graham and Mrs. Lil Grisham, hostess for the evening, and a pumpkin centerpiece decorated each table.

Games were played and refreshments were served by Mrs. Murrell Harmon, Mrs. Mary Noth, Mrs. Joan Pritchard, Mrs. Louise Kovar, Mrs. Charlene Pohlman and daughter, Shelly. Mrs. Francis Rawden and children, Rebecca and Marcus, and the hostess' daughter, Carol.

EVENING MUSIC CLUB WITH MISS MAYLATH
The Evening Music Club, meeting last night with Miss Elsie Maylath, was attended by eight members.

After a brief business session Mrs. Kathy French gave an interesting presentation of the opera "The Medium" by Menotti.

BROWNIES TO TAKE PART IN HAVRIDE

Brownie Troop 730 of Frohardt school met Monday with Mrs. Charlotte Kloster and Mrs. Ruth Schroeder as co-leaders. Darla Modlin, flagbearer, led the pledge to the flag and the Brownie promise, after which Nancy Cuyar collected dues.

In attendance were Jill Donley, Laura Dyer, Anne Fuller, Laura Guenther, Dana Jones, Shannon Kloster, Josie Lindhardt, Dina Long, Lori McDaniel, Diedra Schroeder and Carrie Varner.

The troop has been presented by an American flag by Mrs. Jones of the Women's Auxiliary of the American Legion.

The Brownies enjoyed Halloween cookies and punch, provided by the co-leaders, as they made "trick or treat" bags. Songs were recited as they sang on a hayride planned for the troop next Monday.

A business chart was explained to the troop, and Mrs. June Branding sang "The Black Swan" from the same. After the meeting refreshments were served by the hostess.

Marshall PTA Begins Year

The Marshall school PTA held its first meeting of the 1970-71 term Tuesday evening and plans were made for an open house program in November. President, Melford Dutton was in charge.

Dutton led the unit in the pledge of allegiance and the principal, Miss Mary Hopkins, introduced faculty members. The president conducted a room count and Mrs. Margaret Dalla Riva's class won the attendance banner.

Nominations were made for a new secretary, Mrs. Sandy Richie, due to the resignation of Miss Joyce Lindsey, who has moved out the Granite City school district. A treasury report was given by Mrs. Karen Ambuhl, who also reported on events sponsored by the unit last year.

A discussion was held on purchase of a copying machine and a summary of future expenses. Dr. Robert Hawkins, of the faculty of fine arts at SIU, Carbondale, was the evening's guest speaker. He spoke on "Communications" and was accompanied by eight of his students, who participated in dramatizations, "Communication Between Teacher and Students" and "Communication Between Parents and Students."

WIVES CLUB PLANS CHRISTMAS BAZAAR

A regular meeting and luncheon of the Officers and Civilian Wives Club of the Granite City Depot was held Wednesday in a private dining room on board the Robert E. Lee moored in St. Louis.

After the luncheon Mrs. Vee Throne, first vice-president, conducted a business discussion during which plans for a Christmas party Nov. 18 in the Officers Club were made. There will be a coffee before the sale when handmade articles suitable for Christmas gifts will be sold by the members. Also discussed were gifts of \$1 value which all were requested to bring to be sent to an orphan in Oklahoma for the holiday season.

Students, who participated in dramatizations, "Communication Between Teacher and Students" and "Communication Between Parents and Students."

Dutton announced that an open house will be held Nov. 3 at 7 p.m.

Refreshments were served in the cafeteria Tuesday by the executive board to approximately 50.

EIGHT AND FORTY MEETS IN ALTON

Madison County Salon 53, Eight and Forty, met Tuesday evening at the American Legion Home in Alton.

Sixteen were present at the meeting presided over by Mrs. Hilda Rehmier, chaplain. A report was given of the recent holiday held in Jacksonville by Mrs. Fannie Ulrich, the secretary, and plans were made for a salad and dessert tasting party at a later date.

A contribution was made for the National Chapeau project, the purchase of a Vehtak lung functioning computer for the Nation Jewish Hospital in Denver, Colo., and several of the members volunteered to stuff envelopes for TB Seals in Wood River.

The next meeting of the Eight and Forty will be held in Venice with Mrs. Zelma Hart as hostess. Mrs. Mary Ballentine and Mrs. Mary Massman as hostesses. Those from this area attending Tuesday's meeting were Mrs. Dorothy Hinson, Mrs. Ballentine, Mrs. Hinson, Mrs. Frances Crowley and Mrs. Kathryn Fellers.

Dixon Cites Patronage Shift at State Level

State Senator Alan J. Dixon, Democratic candidate for state treasurer, this week told a Democratic precinct captain luncheon in Chicago that the appointment of John Lewis as Illinois secretary of state makes it more important than ever that Democrats be elected to the posts of state treasurer and superintendent of public instruction.

Dixon noted that the appointment of Lewis, a Republican, gives the Republican party control of five of the eight elected state offices as well as both houses of the legislature.

"We want Democratic candidate to win," said the Belleville lawmaker, "but not only as a victory for the party. We need a check on the increasing power of Governor Ogilvie."

"We need watchdogs. We need men of independent judgment to propose alternative solutions to our state's problems, not just men who echo the governor. And we must prevent any one party from gaining a stranglehold on state government."

Dixon cited his own race for state treasurer as a prime example of the dangers of one party control of offices.

County GOP Chairman
"My opponent is the Republican Cook county chairman," he said. "He is Ogilvie's chief political advisor and his hand-picked candidate for state treasurer. This is the man who should be our special target this election day."

"Now he wants to go to Springfield to be reunited with his political godfather, the governor."

"Illinois does not need another replay of the tired song and dance routine. Illinois does not need another carbon copy of the governor who gave us the income tax and whose scrambled priorities have reduced the Illinois budget to chaos."

"We need a clear, strong voice of independence in the

treasurer's office, not an echo."

Insists Surplus Exists
"We need men who will tell us the truth as Adlai Stevenson has, about a \$301 million surplus in the state treasury. We don't need a yes-man for the governor who calls \$301 million a 'phantom surplus.' That's what I call a mighty fat phantom."

"We need a treasurer who can tell us how to provide tax relief. We don't need a treasurer who will murmur agreeably when his sidekick the governor says we need still more taxes."

"We have Ogilvie. That's enough. We don't need double trouble."

Dixon said voters should elect him because of:

1. "The need for an independent watchdog as state treasurer."
2. "The need to continue the strong policies established by Treasurer Adlai E. Stevenson III."

3. "The need for a treasurer who will discuss state issues publicly. My opponent continues to refuse to engage in any public discussion or debate with me."

4. "20 Years in Assembly"

"The need for experience in state government. I point to 20 years of service in the legislature and my role as the principal author of legislation concerning the treasurer's office."

5. "The difference in each candidate's view toward public disclosure. I was the author of the law which requires the treasurer to publicly disclose the location and amount of state deposits, while my opponent has never made such information public as Cook county treasurer."

6. "Programs of creative banking. I have issued position papers during the campaign discussing how to get social dividends from the state's investments as well as increased interest while my opponent has offered nothing new."

Madison Man Charged With Theft of Welder

Charles Polach, 29, of 1321 Washington avenue, Madison, was charged with theft Tuesday after his auto was stopped in the 1900 block of Madison avenue Monday night when police allegedly found an electric welding machine, stolen earlier from Butch's Coal Co., 1321 Iowa street, Madison, in the rear of his station wagon.

Madison police said they had been seeking Polach after he allegedly failed to appear in court last week. He had been placed under a mittimus bond on a previous charge of disorderly conduct.

He was released to Madison county authorities Tuesday afternoon.

Friede Michel, 73, Retired Teacher, Dies

Miss Friede Michel, 73, of 2741 Harvey place, a retired Madison high school teacher, died at 12:10 p.m. Tuesday at St. Elizabeth Hospital where she had been hospitalized for two days. She had been in ill health for two years.

Miss Michel began her teaching career in 1916 at the Madison elementary schools and became a teacher in the high school in 1922. She also served as acting principal at the Madison high school, for several months, during the school year of 1947-48.

Well known in the educational field, she was a member of the Illinois Education Board and the National Education Association. She retired in 1956.

A member of the First United Presbyterian Church in Granite City, Miss Michel was a Past Matron of New Hope Chapter 432, Order of the Eastern Star, and was a Past Worlby High Priestess of Gabriel White Shrine of Jerusalem 78.

Miss Michel was born in Macoupin county, Ill., and was a lifelong resident of the Quad Cities.

She is survived by a brother, George Michel of Livanja, Mich. Funeral arrangements are given in today's obituary column.

2 Charged in Attempt To Cash Stolen Check

Madison, Venice and East St. Louis police joined Tuesday in apprehending two men who were later charged with attempting to cash a stolen check at the drive-in window of the First National Bank in Madison.

Officials of the bank became suspicious when a payroll check for \$400 issued in the name of and endorsed by Bill Clark of Webster Groves, Mo., from the Mounds City Roofing and Insulation Co. of that city, was presented for payment.

While the men waited in the car, Madison police were called and the license number of the car was given to them.

Police followed the car into East St. Louis where it was stopped by East St. Louis police, assisted by Venice and Madison officers. Arrested were Everett Richardson, 26, of East St. Louis, and Leroy Oliver, 37, of St. Louis. They were returned to Madison where they were charged and jailed.

Police later said that Clark, to whom the check was issued, had stopped payment on it and had reported it missing.

Title I Project at Venice is Approved

OUTING TO GRAFTON BY SENIOR CITIZENS

Venice Senior Citizens chartered a bus Tuesday and drove to Calhoun county, where they visited P. E. Marquette State Park.

They also picked apples at an orchard in Grafton; the members rode wagons out into the orchards.

Those attending were Mr. and Mrs. Wesley Ziegler, Mr. and Mrs. A. J. Harden, Mr. and Mrs. Claude Bilbre, Mr. and Mrs. L. Rube Payne, William Meehan, Chuck Hornum, William Butler, Lee McClew, Danny Huff, Tony Tessari, Miss Shady Ann Hornum.

Mrs. Emma Jo Weber and granddaughter, Margaret Bilbre, celebrated their birthdays Wednesday at a supper given by Mrs. Charlotte Bilbre, 515 Fillmore street.

Margaret is one year old and was born on the grandmother's birthday. Others present were Larry Bilbre and children, Theresa, Bob, Tom, Jennie, Paul and David.

At that time, Sgt. Grzywacz said he observed Martin jump over a fence behind the Victory Tavern, 1729 Edwardsville road, still handcuffed. He was again taken into custody and was driven to the Madison police station.

An ambulance was called to take LeBlanc to the hospital where he was treated for a pain

Driver Named on 6 Charges After Crash

Charges of no valid driver's license, improper vehicle registration, careless driving, attempted escape and two counts of destruction of city property were filed against Millard O. Martin, 17, of 1228 Edwardsville road, after his automobile hit a street sign and a tree in front of 1701 Edwardsville road, Madison, at 11:40 p.m. yesterday. The crash injured a passenger in the car, Steve LeBlanc, 15, of 406 Gaslight Walk, Pontoon Beach.

Madison police said when they arrived at the scene of the accident Martin allegedly removed the rear license plate from the wrecked auto and fled east with it towards Rhodes street. He was found by Sgt. Ronald Grzywacz a few minutes later hiding in bushes in the 1700 block of Rhodes street. Martin was handcuffed and placed in the custody of Officer William Page who returned him to the scene of the accident and put him in the rear seat of a squad car, police said.

Sgt. Grzywacz then returned to Rhodes street to search for the missing license plate. While searching, he heard five gunshots from the area of the accident and ran to the corner of Highland avenue and Edwardsville road where Capt. Edward Zaboia informed him Martin had jumped from the police car and ran toward Greenwood avenue.

At that time, Sgt. Grzywacz said he observed Martin jump over a fence behind the Victory Tavern, 1729 Edwardsville road, still handcuffed. He was again taken into custody and was driven to the Madison police station.

An ambulance was called to take LeBlanc to the hospital where he was treated for a pain

JET HELICOPTER CRASH scene is viewed by the pilot, Don Langley, Columbia, Mo., at 11 a.m. Wednesday two and a half miles south of the Bethalto Civic Memorial Airport. He is shown waiting for Federal Aviation Administration representatives. Langley and his passenger, an industrial executive being flown toward Springfield, Ill., escaped injury. Charles Delphs of Chouteau township took the photograph as the \$75,000 aircraft was judged to be a total loss. It had developed engine trouble at an altitude of 2500 feet and auto-rotated toward the ground, flipping over shortly before striking.

in his back and admitted. X-rays of his chest and spine were taken.

Sgt. Grzywacz returned to Rhodes street where he found the missing license plate. Another license plate with the same number was found under

the front seat of the wrecked car. Investigation revealed the license plate had been reported lost or stolen by William Noud, 2258 Grand avenue, according to police.

Shrine Ceremonials Set for Nov. 7, 28

Past Potentate Roy Wilmzig, co-chairman of the membership committee of the Almad Shrine Temple, has announced to the Tri-City Shrine club that fall ceremonies will be held at the Shrine Temple, East St. Louis, Nov. 7 and at Carbondale, Ill., Nov. 28, with a dinner at SIU.

Wilmzig noted the death of Paul Powell, Illinois secretary of state, was a member of the Scottish Rite and Almad Temple who had been selected to receive the 33rd degree in 1971.

Bob Cook has reported that the fourth annual joint dinner venture of the Knights of Columbus and Shrine was again a success and made possible gifts of \$1500 to the Shrine's Burn Institute and \$1500 to the Retarded Children's fund of Carbondale.

Sale Planned By Past Chiefs

Mrs. Martha Montague of Troy was hostess for the Monday meeting of the Past Chiefs Association of the Pythian Sisters. She served a chicken dinner to the members.

The meeting opened with the Lord's prayer led by the president, Mrs. Lillian Chepley. It was announced that the Past Chiefs will be in charge of entertainment for Pythian Sisters meetings in November.

The organization will sponsor a rummage sale Saturday at 8:30 a.m. at the Knights of Pythias Hall. Mrs. Chepley requested the ladies to save coupons to assist with payments on a kindey machine in use by a young man in Detroit.

Games were played, with prizes going to Mrs. Nettie Conary and Mrs. Chepley, and a consolation prize to Mrs. Elizabeth Best. The afternoon's prize was presented by Mrs. Fern Eggley.

Mrs. Eggley led the association to her home, 2628 Grand avenue, for the next meeting Nov. 16.

WHITTLE BANNER READY FOR RECOGNITION DAY

The Whittle by Whittle club met Monday evening to view its new club banner, which had been prepared under the direction of Mrs. Evelyn Isaacs. The banner will be entered in competition with other Take Off Pounds clubs at Area Recognition Day Saturday. Mrs. Isaacs and Mrs. Gloria Bennett will carry the banner for the club.

Also on display were achievement ribbons that will be awarded at the Saturday meeting. The leader, Mrs. Pat Polo, conducted the session and reports were given by Mrs. Ruth Hubbard and Mrs. Mary Frise.

Members answered roll call with the gain or loss for the past week. Weights were recorded by Mrs. Shirley Sobolewski and Miss Ruth Stover. Mrs. Sharon Bridick and Mrs. Carmen Bridick collected fines.

"Queen of the week," crowned by Miss Stover, was Mrs. Beulah Krause, who was presented a fruit basket. Mrs. Rosalie Brombauer chose a gift from a "wishing well."

Miss Stover presented two charms to Mrs. Thelma Pryor. Announcement was made that Team One had won the current club contest, and Team Two will serve the others at a costume Halloween party at the next meeting. Prizes will be awarded for costumes.

A discussion was participated in by all present on diets and motivation to diet. Plans were completed for the Halloween party.

Others attending were Mesdames Phyllis Barton, Virginia Cotter, Jo Gispson, Elsie Mathenia, Jo Lene Myers, Delores Townsend, Betty Young, Jane Beyer, Diana Ragdale, Mary Jane Sander, Peggy Newcomb, Janice Hildreth, Brenda Schoenhardt, Rose Yates, Marilyn Beyer, Denise Broyles and Ruby Green.

The party was given by the congregation with the assistance of Tucker's daughters and their families: Mr. and Mrs. James Faulkner and children of Edwarsville, Mo. and Mrs. Fred Fox and family, Mrs. Joe Fox and daughters and Mrs. Virginia Trebing of Madison.

Gifts were arranged on a table centered with a decorated birthday cake. The banquet hall was decorated in blue and white.

Guests included Rev. and Mrs. Allen Wunsch, Rev. and Mrs. C. L. Jerals of the Trinity church, Mrs. Marie Horton, Mr. and Mrs. Wilbert Meyer sr., Mr. and Mrs. Bob Keller, Mr. and Mrs. Richard Eltington, Mr. and Mrs. Frank Faulkner, Ed Dye, Mrs. Irma Butler and children, Mr. and Mrs. Cecil Jordan, Mrs. Louise Mitchell, Mr. and Mrs. Arnold Massey and children, Mr. and Mrs. William Dillon, Mr. and Mrs. Ralph McKinney, Mr. and Mrs. William Walker, Theresa Jordan, Bill Walker, Ada Davis, Mr. and Mrs. Walter Wilson, Mr. and Mrs. Warden and Mr. and Mrs. C. Davis and children.

SONS OF LEGION PLAN PARTY

Jim Howell Jr., commander of the Sons of American Legion, Post 113, has announced a Halloween party to be held Saturday, Oct. 24, at the America Legion Home in Granite City.

Also announced was a third anniversary banquet to take place at the Heritage House in St. Louis Dec. 6.

The meetings of the Sons of the American Legion are held on the first and third Sundays of each month at 2 p.m. at the Legion Home.

Susan Elizabeth Sherfy
Weds Lorenzo W. Judd

St. Mary's Roman Catholic Church in Madison was the scene of the wedding Oct. 17 of Miss Susan Elizabeth Sherfy and Pico Lorenzo Walter Judd, U. S. Marine Corps.

The parents of the couple are Mr. and Mrs. Charles W. Sherfy, 716 Brown street, Venice, and Mrs. Christine Judd and the late Walter W. Judd, 83 Garces-Homes, Madison.

Arrangements of white flowers and greenery decorated the altar for the 12:30 ceremony performed by Rev. Conrad Motola.

The bride wore a gown of white organza with a ruffled front and a basque waist featuring a sabrina neckline, full bishop sleeves and a detachable train attached at the shoulders.

Chantilly lace trimmed the gown and clusters of lace with pearls and crystals secured the bride's veil of illusion. The bride carried a cascade of white daisies and roses centered with a corsage.

The maid of honor, Linda Sue Craig, a cousin of the bride, and Mrs. Josephine Maddox, the bridegroom's sister, Miss Debbie DiMarco, a cousin of the bridegroom, Mrs. Nancy Cagle and Miss Mary Bush, bridesmaids, were attired alike in powder blue satin peau with Arline skirts trimmed with pale yellow flowers down the fronts of the redingote panels. Double bows were worn in their hair and they held nosegays of red carnations with greenery.

The bride's mother was in a costume suit of aqua shantung trimmed with Venice lace. Mrs. Judd, the bridegroom's mother, selected a skimmer of textured double knit polyester. Both mothers wore corsages of white carnations.

Charlotte Sherfy, and Sammy DiMarco, cousins of the bride and groom, served as flower girl and ring bearer. The former was dressed like a miniature bride in a long dress of white satin and lace.

Tina Judd was in charge of the guest book at the reception held at the American Legion Hall in Granite City. The bridegroom's mother entertained with a breakfast at the Garretts Homes Recreation Center directly after the church ceremony.

Joseph Vaughn was best man and Joseph and Patrick Judd, brothers of the bridegroom, Pico Charles Van Bibber, and Pico Thomas Grimes, served as groomsmen. Sam and Joseph DiMarco, uncles of the bridegroom, and Harold Ballentine the bride's uncle, were ushers.

The rehearsal dinner was held at a Mitchell restaurant. After a honeymoon in the Ozarks the bridegroom will return to San Diego where he is presently stationed.

The former Miss Sherfy, a graduate of the Venice high school, is employed in St. Louis. The bridegroom graduated from the Madison schools. Before enlisting in the Marine Corps he was employed by the Granite City Steel Co.

Plan Open House At Niedringhaus

Plan Open House At Niedringhaus

The Niedringhaus school PTA executive board held a special meeting in the home of the president, Ted Macios, 1216 Twenty-seventh street, Tuesday evening to make plans for an open house program Oct. 27 from 7:30 to 8:30 p.m.

A report was given on the 36th annual conference of District 29, Illinois Congress of Parents and Teachers, held at Edwardsville, attending Mrs. Helen Powell, Mrs. Mary Fryntzko, Ray Edwards and Mrs. Norma Macios.

Dr. Stanley Maer, membership chairman, discussed a membership drive now in progress. Also discussed were fund projects for the coming year.

Officers present were Macios, Mrs. Delores Clonko, first vice-president and program chair, Mrs. Fryntzko, treasurer, Mrs. Powell, hospitality chairman, Dr. Maer, membership chairman and Principal Gerald Bushue.

DUV TENT 92 MEETS AT NEW RESIDENCE

Ant Buck Young Tent 92, Daughters of Union Veterans of the Civil War, 1861-1865, met Monday at the home of Mrs. Arlene Fox, 2647 State street.

The senior vice-president, Mrs. Irma Taylor conducted the meeting. A donation was made to the Maywood Home and a Christmas cheer fund.

Reports were given by Mrs. Edna Hoevel on a district convention held in Granite City. Elected to district offices were Mrs. Louise Thompson, junior vice-president, and Mrs. Edna Hoevel, council member.

Games were played and prizes went to Mrs. Maude Lewis and Mrs. Laura Bishop. The hostess served a dessert luncheon. The next meeting will be Nov. 19 at the home of Mrs. Irma Taylor, 1738 Primrose avenue.

RECREATIONAL TIME CANCELLED FOR MEET

Due to the coming Baptist Student Union convention to be held at Grace Baptist Church, 2600 Edwards street, tomorrow through Sunday the Friday evening recreational time has been cancelled. It will reopen to public youth Friday, Oct. 3.

On November 1, the Good News Choir, Associational-wide, will present the musical, "Life" at 7:30 p.m. The choir is based on more than 100 youth and teen-age voices, among them young people from 23 Madison county churches.

A realistic folk musical, arranged to coordinate with different voices of the youth. An invitation is extended to the public to attend.

Winsome Class Names Officers

The Winsome class of Grace Baptist Church met Tuesday evening at the home of Mrs. Charlotte Kloster, 1943 Joy avenue.

In attendance were the hostess and Mesdames Carol Fritts, Beverly Fanning, Martha Whitehead, Joyce Kotoff, Lois Page, Peggy Cunningham, Lois Wright, Wilma Parker, class teacher, and Carol Brinker, wife of Rev. Louis Brinker, the new pastor.

New officers elected were Mrs. Joyce Kotoff, president; Mrs. Lois Page, outreach director; Mrs. Lois Wright, secretary; and Mrs. Carol Fritts, group director.

It was agreed to purchase a film for the church library from funds collected during the past year. After a discussion it was decided to have monthly class projects.

In November, the class will collect canned goods for a needy family, and in December, the class will "adopt" a child at the Baptist Children's Home in Carmi, Ill., and provide Christmas gifts.

A game committee was appointed for the coming year. Members are Mrs. Sandy Logan and Mrs. Marty Miles.

The devotional period was led by Mrs. Peggy Cunningham, who read a message given by Rev. Stan Howlett at the church sports banquet.

The business meeting closed with prayer, after which games were played, prizes being awarded to Mrs. Brinker, Mrs. Parker and Mrs. Cunningham. Refreshments were served.

CWF GROUP ONE HOLDS MEETING

Group One of Central Christian Church met Tuesday in the home of Mrs. Don Seitzer, 2906 East 25th street, with eight present, including one guest.

The hostess gave the study on "The Service Communicator," and the worship service was in charge of Mrs. Florence Gilbert who also conducted the Fellowship of the Least Coin Service.

A report was made on a talent survey and a telephone tree and the meeting closed with the CWF prayer.

A newly formed Senior Girl Scout Troop met Monday evening in the home of Pat Scherffe.

Plans were made for a capping ceremony Nov. 16, and a money-making project was discussed. Also discussed was a Halloween party for Saturday. The next meeting will be held at the home of Mrs. Wanda Mae Donough, adviser, Monday.

BRIDE: Mrs. Jeffrey P. Kutsche, the former Mary Lynne Jesse, a daughter of Mr. and Mrs. Allen L. Jesse, 3216 Carlson avenue, who was married at St. Margaret Mary Catholic Church. The bridegroom's parents are Mr. and Mrs. Henry Kutsche of Wauwatosa, Wis.

Nurse Alumnae Schedule Sale

The St. Elizabeth Hospital Nurses Alumnae Association met at the Flamingo Pit in Edgemoor Tuesday evening for a special "guest night." A smorgasbord dinner was served prior to a business meeting.

New officers assuming their duties are: president, Sister M. Marce; vice-president, Mrs. Martha Bishoff; secretary, Mrs. Clara Krause; recording secretary, Mrs. Mary Sankles; and treasurer, Mrs. Georgia Harlow.

Arrangements for a rummage sale the group is sponsoring Saturday at Schermer's Garden Center in Madison were completed. The sale will begin at 8 a.m.

Members were reminded of their annual auction Nov. 17 at the Venice recreation center. "Guest night" will also be observed that evening.

Mrs. Marietta Daniels will serve as auctioneer, and will be offering a variety of hand-made and home-baked articles provided by the members. Hostesses for the November meeting will be Mesdames Bernice Gushoff, Georgia Harlow, Martha Bishoff, Ruth Novack, Ann Klarich and Sister M. Marce.

Plans were discussed for a new club contest was begun and will run for a bout six weeks, with a prize going to the winner. Other members attending were Mrs. Shirley Kolorou and Mrs. Arlene Tadlock.

MRS. SANDRA COOK ENTERTAINS SORORITY Mrs. Sandra Cook entertained Nu Zeta Chapter of Beta Sigma Phi sorority at a meeting in her home, 3913 Franklin avenue, Tuesday evening.

The ways and means committee announced the success of a recent fund-raising project and plans were made for another project in December.

The social committee re-named the members of a hay ride to be held Saturday, Oct. 24, and dolls were distributed among the group to be dressed for a "dress-a-doll" contest.

Two pledges, Donna Kagy and Phyllis Kubaska, were formally initiated during the evening and a dessert course was served to Jan Ash, Barbara Johnston, Shirley Whaley, Shirley Warner, Frances Cuvar and Marilyn Lumpkins.

"Giving and Receiving" was the topic of the cultural program given by Mrs. Lumpkins. "White Elephants" are to be brought to the next meeting in the home of Mrs. Ash, 2905 National avenue.

MIRRORS CLUB TO WEAR NEW DRESSES

The Mirrors Will Tell club met Tuesday evening at Rozvick Realty in lieu of a regular meeting which had been slated for Sunday night. The leader, Mrs. Muriel Byrne, presented and members recited the Take Off Pounds pledge in unison.

"Queen of the week," Mrs. Billie Bagi, was presented a jeweled crown pin by Mrs. Donna Petras. The club joined in singing in honor of their new queen.

Mrs. Diane Gonterman was announced as winner of the current club contest, which came to a close Tuesday. She was awarded a gift from the club.

The club will be represented at Area Recognition Day Saturday, when the members will be wearing their new club dresses for the first time.

Plans were discussed for a Halloween costume party set for Tuesday, Nov. 3, when other local weight clubs will join with the Mirrors Will Tell for the evening.

A new club contest was begun and will run for a bout six weeks, with a prize going to the winner. Other members attending were Mrs. Shirley Kolorou and Mrs. Arlene Tadlock.

SURPRISE PARTY

Mrs. Barbara Blackburn, 2606 Edwards street, was guest of honor at a surprise birthday party Sunday afternoon given by her daughter, Connie Blackburn, and Nancy Watkins, 2843 Edwards street. Both young hostesses are third grade students at Webster school.

The Blackburn garage was decorated in a Halloween theme with jack-o-lanterns and holiday posters which the girls had drawn. The honoree was presented with gifts and the festivities resumed in the dining area, accented with a decorated cake and individual favors and candy.

Cake and ice cream were served to the honored guest's daughter, Stephanie, and her

husband and Linda and Helen DeForest, Melissa Keelin, Gail Watkins, Wanda Kite and Karen Travis.

ATTEND U.S. GOSPEL QUARTET CONVENTION

Mr. and Mrs. Carl Lambert, 2443 Benton street, accompanied by Miss Denise Stock, are home from Memphis, Tenn., where they attended a national gospel quartet convention. It was the 11th convention that the Lamberts have attended and Miss Stock's first.

They are members of a singing trio, "New City Singers," which performs locally. Mrs. Marlene Lambert plays the piano for her husband, Miss Stock and Mrs. Juanita Scarborough, all are members of the Christ Gospel Church, 2100 Dewey avenue. Rev. Francis Gertz is pastor.

Miss Stock described the weekend convention as one of the most inspiring gatherings she has attended. Next year, the

convention will be held in Nashville, Tenn.

They stopped in Sikeston, Mo., where they were guests in the home of Mrs. Lambert's grandmother, Mrs. Edna Hays, and an aunt, Miss Mildred Hays.

PHOEBAN BIBLE CLASS DEVOTIONAL LESSON

The Phoebe Bible class of Calvary Baptist church met in the home of Mrs. Bertha Dickerson, East St. Louis, for the October meeting Tuesday afternoon. The meeting opened with singing of hymns led by the class teacher, Mrs. Stella Rushing.

The hostess offered opening prayer and a monthly devotion, entitled "The Apostasy is Here," was given by Mrs. Viola Jones.

The president, Mrs. Mae Williams, presided and reports were given by the secretary, Mrs. Lorna Hutson, treasurer, Mrs. Cussie Hessman, and corresponding secretary, Mrs. Beatrice Henry.

Roll call was answered with Scripture verses and the class sang "Blessed Be the Tie that

binds," clasping hands in a friendship circle. Mrs. Rushing gave closing prayer and others attending were Mrs. Della Hubbs, Mrs. Cora Cruse, Mrs. Mary Youngblood and a visitor, Mrs. Lola Miller.

The Nov. 17 meeting will be held in the home of Mrs. Elizabeth Knight, 2021 Washington avenue.

HOME AFTER SURGERY

Miss Rhonda Hadley, a daughter of Mrs. Ann Hadley, 2406 Kirkpatrick Homes, returned home Tuesday from the Jewish Hospital, where she underwent surgery last week. A student at Coolidge junior high school, she will remain home for a few days to recuperate; visitors are permitted.

JOY CLASS ELECTS

MRS. RUBY GREEN An election of officers was conducted during a meeting of the Joy class of Grace Baptist Church in the home of Mrs. Karen Machine, 2524 Propes street, Tuesday evening.

Mrs. Carol Masters gave opening prayer and Mrs. Merle

Price was appointed to study the volunteer service program at St. Elizabeth Hospital. An announcement was made of a costume Halloween party that will be held at the church Oct. 26 from 7 to 10 P.M. for members of the Joy and Seekers classes.

Officers elected for the new church year were Mrs. Ruby Green, president; Mrs. Machine, vice-president; and Mrs. Diane Andrews, secretary. Plans were made to make a "joy" basket for Becky Thiel, a patient at Barnes Hospital, St. Louis.

The meeting adjourned for a fellowship hour and games were played, with prizes awarded to Mrs. Wilma Andrews and Mrs. Green. The next meeting is scheduled for Nov. 22 at the home of Mrs. Diane Andrews, 900 Washington avenue, Madison. Refreshments were served to those mentioned and Mrs. Wanda Stately.

GIRL SCOUT HAYRIDE

Webster Wildcats patrol led the opening ceremony for a Girl Scout meeting at the school

Monday. The leaders, Mrs. Mae Johnson and Mrs. Betty Van Gilder, and the girls repeated the pledge of allegiance and promise and Julia Forsy read a poem, "Recipe for Happiness."

Mrs. Lee discussed the scouts' Oct. 26 hayride and cookout at Elk; in case of bad weather, a costume Halloween party will be held at the school later that evening.

Scouts Leisa Tervasi and Tammy DePew will attend a meeting of Brownie Troop 146 at Marshall school to teach songs. Work continued on requirements of the health badge and the troop welcomed a transferred member, Jackie Fry.

Senior Scout Karen Lee and Cadette Karol Lee led a song-fest and the troop sang "Happy Birthday" to Leean Thomason, closing with a friendship circle, "Taps," and the scoutmaster prayer by Mrs. Lee.

Others attending were Cheryl Brinkley, Jackie Chapline, Enid Cox, Danna DePew, Cindy Ferguson, Tammy Fritts, Becky Grimes, Colleen Jackson, Car-

olyn Johnson, Carina Kuhn, Anita McGee, Lori Nemeth, Shirley Patton, Robin Pich, Becky Schorffriede, Shelly Siebert, Lori Taylor, Janice Van Ruit, Susan Welty, Pam Williams, Vicki Williams and Cheryl York.

FRIENDSHIP CLASS INSTALLATION DINNER

An installation ceremony and a pot luck dinner were held Monday evening for the Friendship class of Second Baptist Church in the home of the teacher, Mrs. Elsie Sturdevant, 2222 Adams street.

Mrs. Betty Doyle installed as officers for the new church year Mrs. Sturdevant, teacher; Mrs. Alene Regar, assistant teacher; Mrs. Deanne Burcham, outreach leader; Mrs. Merlene Pfeiffer, secretary; Mrs. Diane Delafaye, social chairman, and Mrs. Karri Groves, Mrs. Barbara Harris and Mrs. Judy West, group leaders.

The class discussed its project for next month, collecting cans and food to fill a basket for a needy family. Plans were made for a family

Thanksgiving dinner at the church in November. Dinner was served to Mr. and Mrs. Rome Sturdevant, Rev. and Mrs. Eugene Dutton, Mrs. Ruth, Mr. Dike and daughter, Glenda, Mrs. Barbara Becerra, Mrs. Wanda Hubbell and those mentioned.

CADETTE CAMPOUT

Cadet Troop 234 met at Prather junior high school Tuesday with the leaders, Mrs. Margaret Barton and Mrs. Venka Ambush. Plans were made for a camping trip.

The Cherokee patrol led a flag ceremony and final plans were made for a campout at Camp Chan-Ya-Ta Oct. 30-Nov. 1. The scouts discussed menus for the three-day outing.

Kathy Justice gave a report on interior decorating and displayed a home model she had arranged. The session ended with a friendship circle, Taps and the scoutmaster's prayer.

Attending were Kathy Ambush, Sherri Barim, Charlene Bennett, Theresa Basdin, Darla Carney, Bonita Davis, Robin Downing, Theresa Hancock, Pamela Hoffman, Kathy Justice, Terry Jones, Patti Parrison, Mary Stanfill, Patti Taylor, Judy Whitaker and Karen Zimmerman.

HAYRIDE FOR TROOPS

Two Brownie Troops sponsored by the Niedringhaus PTA, Troop 47, led by Mrs. Jo Ann Dix and Mrs. Norma Maclos, and Troop 519, under the leadership of Mrs. Marge Pennell and Mrs. Lois Wright, went on a hayride in lieu of regular meetings Tuesday afternoon. Accompanying the scouts were Mesdames Donna Fischer, Janet Bogosian, Barbara Schreiber, Carol Davis, Fran Wilkins, Birdie Gray and Miss Pennell. The troops went to the Middlegate stables, Glen Carbon, for the ride and enjoyed a wicker roast around a campfire. They roasted marshmallows.

Participants from Troop 519 were Lane Brown, Cindy Buenthe, Lana Donoff, Paula Fischer, Cindy Garrison, Desiree Gargac, Debbie Gebhardt, Judith Gouy, Susan Jeffries, Susan McRaven, Mary Beth Pennell, Dorothy Popmarkoff, Elizabeth Taylor, Tina Thompson, Debbie Tiltman, Elizabeth Wilkins and Gay Wright.

MADISON HIGH PTA COMMITTEES NAMED

The Madison high school Parent-Teacher Association, headed by James Shradler, has formed committees for 1970-71. Committee chairmen for the year are:

Program, Mrs. Joyce Crawford; by-laws, Mrs. Ruby Shadler; nominating, Mrs. Mary Berry; finance, and budget, Mrs. Rosalie Stern and Mrs. Earnestine Bule; publicity, Mrs. Evelyn Holt.

Membership, Theodore Kemp; parent and teacher coordinating, Oscar Hampton and Mrs. Delores Folkerts; hospitality, Mrs. Ora Lee Rivers; scholar-

ship, Mrs. Delores Folkerts; legislative, Nick Heisner; and health, Mrs. Glenda Daggert. Richard Brown is principal and Arthur Carter is assistant principal.

A PTA meeting has been scheduled for 7:30 p.m. Nov. 10.

CROWN MRS. JOHNSON

Mrs. Phyllis Johnson was crowned queen of the week at a meeting of the Ship Shape club Tuesday at the Polish Hall in Madison.

Mrs. Yvonne Passig, leader, presided and Mrs. Alberta Robinson read an article "Health Minded." Comments were presented on the topic.

The club has been invited to attend a Halloween party Oct. 29 at the Tri-Mor Bowl. All weight clubs in this area are to attend the pot luck supper.

Thirteen members of the club have made arrangements to at-

tend Recognition Day Saturday at Augustine's, Belleville. A singalong was held, after which Mrs. Helen Townes closed the meeting with prayer.

Others present were Mesdames Jackie Gattung, Lorraine Gremaud, Marie Bryant, Elizabeth Bucher, Alice Baumberger, Pauline Holman, Juanita Harrington and Pearl Kester.

VOTING MACHINES STUDIED BY CLUB

The Madison Ladies City Organization met Monday evening at the Sportsman's club with Mrs. Ida Dant, president, presiding. The monthly session opened with prayer led by Mrs. Dant.

Mrs. Dant spoke to the ladies on voting machine procedure. Mrs. Eileen Scrum was welcomed as a member and Mrs. Sadie Wojcik, an inactive mem-

ber, returned to the club. It was announced that Mrs. Diana Blatner, a member of the club, is a patient in the Quency Tower hospital, Room 7104.

Hostesses, Mrs. Violet Bader, Mrs. Margaret Michels and Mrs. Mildred Burgess, served refreshments to those named and Mrs. Shirley Durko, Mrs. Winnie Sanyk, Mrs. Geneva Blumenstock, Mrs. Virginia Schreiber, Mrs. Julia Gochlan, Mrs. David Maestas.

Mrs. Kay Mullen, Mrs. Fay Bailey, Mrs. Sally Bosworth, Mrs. Ann Bialczak, Mrs. May Krakowicki, Mrs. Barbara Andrews, Mrs. Dollie Smith, Mrs. Mary Bucherich, Mrs. Fannie Fisk, Miss Judy Kraus.

Mrs. Kathryn Fellers, Mrs. Christine Green, Mrs. Francis Troits, Mrs. Nettie Gnojewski, Mrs. Hilda Gravelle, Mrs. Marie Hlava, Mrs. Josephine Knezovich and Mrs. Vera Sikora.

CLUB MARKS 69TH YEAR

The Madison Literary club celebrated its 69th anniversary with a luncheon at the Fleming Pit, Edwardsville. After the luncheon, the group motored to the home of Mrs. George Thomas, a member now residing in Edwardsville.

She had prepared a dessert course. Following a social period, a business session was held.

A donation to the United Fund was made by the members. A number of the ladies who attended a county meeting held in Highland gave reports on the activities.

In attendance were Mrs. Ray Gregg, Mrs. Duft McBryan, Mrs. Roy Hill sr., Mrs. D. L. Kacaleff, Mrs. Elizabeth Deffenbaugh, Mrs. Marion Deffenbaugh, Mrs. L. C. Harlan, Mrs. Thomas and a guest, Mrs. John Kirchoff.

WE'RE CELEBRATING OUR

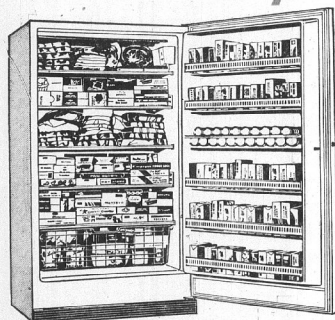

67th

Anniversary

History of the Schermers Supermarket:

Schermers Brothers Store, celebrating its 67th anniversary, is the oldest family-owned, continuously-operated retail business in Madison. The original store was erected on the present site of Schermers' Garden Shop by Herman Schermers, father of the present owners. Herman Schermers was born in 1880 on a farm in Austria, the eldest of seven sons of a civil engineer. When his father died, he was 14 years old and his youngest brother, Jacob, was an infant. In 1898, Herman came to America and in 1903 he entered the grocery business in North Venice as a partner in the firm of Schermers and Arnovitz. The 1903 flood inundated the Venice store, and, after the water receded, the partnership was terminated. Herman then built his grocery store in Madison. A year later, he sent to Austria for the next oldest brother, Ben. At short intervals thereafter each of the remaining brothers arrived, the final arrival being his youngest brother, accompanied by his mother. In 1907, a new building was erected where the present Schermers Supermarket stands, and the grocery was transferred there. Seventeen years later, the building was enlarged and a complete department store was established. In addition to groceries, the expanded facility sold clothing, jewelry and a complete line of hardware. Herman suffered a heart attack in 1931 and in 1933 became too ill to remain active in the business. His oldest son, Leo, left Washington University Law School and took over the operation of the store. The department store was discontinued in 1935 and the business reverted to a grocery line which was housed in the corner portion of the structure. This portion was destroyed by fire in 1938, one year after the death of Herman. The grocery was transferred to the part of the building formerly occupied by the department store. At the outbreak of World War II, Avery and Stanley were attending college. Stanley and Leo entered military service in 1942; Avery continued attending St. Louis University until his graduation in September 1943. During the period between the induction of Leo and Stanley into the Army and Avery's graduation, the store was operated by their mother, Mrs. Helen Schermers. Leo and Stanley both distinguished themselves in combat in Europe. Leo, with the Amphibious Engineers, made the D-Day landing at Utah Beach; his battle decorations include the French Croix de Guerre with arrowhead. Stanley served with the 78th Division Combat Engineers and was wounded in the fall of 1944 near Aachen, Germany; he received such awards as the Purple Heart and the European Theater of Operations Medal with three battle stars. Leo returned from service in November 1945 and Stanley in March 1946. The day after Stanley's return to Madison, a fire started in the part of the building housing a tenant-operated furniture store, and the entire structure was destroyed. It was rebuilt and opened as the first self-service, cash-and-carry grocery in Madison. Stanley re-entered Washington University, graduating in 1948. Leo married Esther Scherber of St. Louis in September 1947, Avery married Betty Ann Sadler of Madison in August 1948 and Stanley married Edith Bender of St. Louis in October 1953. Avery left the business to teach at St. Louis University from 1948 to 1951. During the Korean War, he worked as business consultant for the government in the Office of Economic Stabilization. In October 1952, he re-entered the grocery business and the three brothers established the store policy of low prices and personal service which has proved so successful. In 1954, increased customer volume required physical expansion into the space previously occupied by the Perdue Furniture Co. The store again was completely destroyed by fire in April 1955; it was rebuilt and was back in operation within five months. Mrs. Helen Schermers died in the fall of 1955. By 1959, continued growth had forced the grocery to expand again, and it took over space which had been occupied by the Garden Shop. A colonial-style Garden Shop was erected in 1965 on the site of Herman Schermers' original grocery. During the 1950s and 1960s, the Schermers Brothers established a number of "firsts"—first to offer night shopping hours in Madison, first to provide change-maker cash registers and first to install automatic coin dispensers. In August 1965, Stanley Schermers died suddenly while on vacation. The two daughters of Herman and Helen Schermers—Mrs. Sarah Poe of St. Louis and Mrs. Etta Blum of San Francisco—are not active in the family business. In addition to the children and grandchildren, whose civic activities in themselves has been considerable, the couple has left a lasting impression on this community. Herman Schermers served as a trustee on the village board; he was founder and first president of the Madison Savings and Loan Association, and assisted in formation of the Madison Rotary Club, of which he was a charter member. His wife, Helen helped organize the Madison public library and one of its early homes was in quarters donated rent-free by Herman Schermers on the second floor of a building he owned at Fifth street and Madison avenue, present location of Friedman's furniture and hardware store. In 1968 another 3500 square foot addition was added.

Science Teachers to Study Atom Radiation

"Radiation" will be the subject of a series of pilot workshops for junior high school physical science teachers from the Belleville district to be conducted by Steven G. Sanders, of the physics faculty at SIU-SW. Sanders, chairman of the physics faculty, will conduct the workshops, sponsored by the office of the superintendent of public instruction at Belleville West high school. There will be five workshops, held weekly beginning this week and ending on Nov. 18. They are being conducted to develop a unit on applications of atomic energy for the junior high curriculum. Early instruction on the many uses of radiation may erase some of the fears people have of this phenomenon, Sanders said. In addition, the pilot workshops will serve as a base of information for a bill to be considered by the state legislature for continued funding of similar workshops.

"The rapid exhaustion of fuel sources and the pollution problems confronting the world will necessitate the use of nuclear energy almost exclusively within the next 20 years. The field of medicine and industry, are already using radiation extensively," Sanders said. DePaul University in Chicago, Eastern Illinois University in Charleston and Knox College in Galesburg are also presenting workshops in other areas of the state.

Exceptional Children Council Meets Nov. 17

Dr. Alfred P. Bay, superintendent of Jacksonville State Hospital, will be the featured guest speaker at a coordinated meeting of the Council for Exceptional Children (CEC), and staff members of the Madison County Children's Program at Alton State Hospital. Dr. Bay will speak about "Organization of Education of the Emotionally Disturbed Adolescent."

The joint meeting has been scheduled Nov. 17 at the Recreation Hall of Alton State. It will begin with a buffet lunch from 5 to 6 p.m.; a tour of the Hospital's Madison County Unit educational classrooms; and the speakers portion of the program will begin at 7 p.m.

Dr. Bay was appointed superintendent of Jacksonville State Hospital on Sept. 15 by Illinois Acting Governor, Dan Rostenkowski, Department of Mental Health, Dr. Albert J. Glass. He had been superintendent of Topeka State Hospital, Kan., since 1964, and prior to that served as superintendent of Alton State Hospital from 1962 to 1967, and of Manteno State Hospital from 1947 to 1964.

WILSON PARK ESTATES
DISPLAY HOMES
OPEN DAILY

DOING THEIR THING, youthful acrobats at the Tri-Cities Area YMCA display skills acquired after only two lessons. Far left are Anne Frances and Sheila Frandsen, headstands; Kathy Baggot and Nancy Byington, center; and Karen Spencer and

Rose Baggot, back bends. At right side are beginners Laura Boyer, Angela Clements and Suzan Frances. Girls may register now for a second class to start in January.

Y Acrobats Acquire Poise, Coordination

Development of coordination and poise are among the objectives of students of acrobatic dance currently being taught in a special instruction series at the Tri-Cities Area YMCA.

The enrollees who range in age from six years to early teens already can achieve several well-coordinated stunts, according to the instructor, Mrs. Pat Jolly. The program has proved popular and the present series of classes is filled.

A second 13-week acrobatic dance course is scheduled to begin in January, with registration for the late winter season now being accepted, Charles Hasse, YMCA youth director said today.

Mrs. Jolly said the participants work-out strenuously each Saturday and appear to enjoy twisting themselves into pretzels. Under her instruction the girls will learn as many acrobatics as each is able, before routines are established for students to follow at the individual's own level.

Stunts may be difficult while others are comparatively simple, Mrs. Jolly explained, noting that each routine must be performed gracefully in order to illustrate the true beauty of acrobatics.

Acrobatic dancing is recommended for all age levels but the program is especially advantageous for youngsters 12 years of age or younger, the instructor pointed out.

SIU-SW Offers Child Care Course at Venice-Lincoln

An experimental instruction program in "Child Care" has been approved for presentation at Venice-Lincoln Technical Center by the University Extension Service of Southern Illinois University-Southwestern campus, R. Duane Rankin, VLTC administrator, said today.

Registrations for the approved course are being accepted at the adult vocational training center, located on South Fourth street, Venice, where classes are expected to start next week. Interested persons may call 876-7792 for further information, Rankin said.

High school graduates accepted for the instruction series may receive four college credits upon completion of the Child Care course, Rankin explained. College credits also may be held in abeyance for persons without a high school diploma until a certificate or diploma is obtained.

First in Series

Depending on the amount of interest shown by Quad-Cities in participating in the Child Care course, the new program could be the first in a series of special instruction programs offered by SIU-SW Extension Service at the local adult education center, the administration pointed out.

Enrollees will attend classes for a minimum of 48 hours to complete the Child Care course.

LESTER BANNING, Evangelist, will be featured at revival services Oct. 25 through Nov. 1 at the Central Free Methodist Church, 22nd and State streets. Revivals will start at 7:30 p.m. daily with Sunday morning services at 10:30.

J. R. Weber to Address Juvenile Officers

Author of the book, "Gang Project," J. Robert Weber, who also is administrator of the office of Field Services, Department of Corrections, Juvenile Division of the State of Illinois, will speak Oct. 24 at 7 p.m. at the Stratford Hotel in Alton at the regular meeting of the Metro-East Juvenile Officer's Association.

Mr. Weber, who holds a master's degree in social work, was a consultant to the President's Crime Commission in 1966 and 1967; and a consultant to the President's Commission on Violence in 1969.

William Fanning, Madison Juvenile Officer and president of the association, said all police officers, social workers and the public are invited to attend the meeting. The cost of the dinner will be \$3.25.

Persons interested in attending should contact Sgt. Fanning at the Madison Police Department, or Sgt. Joe Nemeth of the Granite City police department.

'People Pods' To View Drug Test Telecast

More than 5000 persons in 500 community-organized, home-viewing groups called "people pods" will be viewing and discussing "The National Drug Test," telecast from 8 to 9 p.m. Monday, Oct. 26, and repeated from 8 to 10 p.m. Wednesday, Oct. 28, on station Kets, Channel 9.

The groups, organized by the Drug and Substance Abuse Council of Metropolitan St. Louis, in cooperation with Kets' Viewers' Advisory Council and many other organizations, will be part of a community-wide effort to involve homeviewing groups in discussion of questions on drug use and abuse.

The test's 20 questions fall into four specific parts — dependency, hallucinations, stimulants/depressants, and narcotics — and one general part.

Analysts providing background on the questions during the program will be Dr. Byron A. Barnes, professor of pharmacology; Dr. Taylor E. Lindencroft, professor of pharmacology; and Dr. Frank L. Mercer, professor of biology and pharmacology—all of the St. Louis College of Pharmacy.

Don Mitchell, director of Narcotics Service Council, Inc. (Nasco), who is himself a former heroin addict, and Albert "Hap" Hamel, coordinator of the Narcotics Commission of the St. Louis County Prosecution Attorney's Office, also will appear in the program.

"The National Drug Test," funded partially by the St. Louis College of Pharmacy and the Danforth Foundation, is scheduled for national telecast on the 200 stations affiliated with the Public Broadcasting Service sometime this year.

Kets' Gordon Reel is executive producer of the program, and Kets' William Bailey is writer. Test forms to use while viewing the program are available free upon request from Kets, Channel 9, 6906 Millbrook Blvd., St. Louis, Mo. 63120.

Western Travel Book Issued by UI Press

"Travelers on the Western Frontier," edited by John Francis McDermott, humanities research professor at Southern Illinois University-Southwestern, has been released by the University of Illinois Press.

"Travelers on the Western Frontier" recreates from letters, diaries, reminiscences and books of travel the American west as it appeared to travelers who braved the trans-Mississippi frontier from their French-Spanish days through the 19th century.

Several of the 13 articles report on the resources available in the Western American collections and others explore 19th-century newspapers and periodicals.

The first essay was written by Prof. McDermott and presents scenes from the diaries of Missouri River travelers and a check list of 95 first-hand reports of voyaging on the river between 1794 and 1861.

Other UIU contributors include Nicholas Joast, English professor, who discusses travel literature in the St. Louis Revue (1844-50), and William B. Baker, associate professor of earth sciences, who taps hitherto unused cartographic sources on early land roads from St. Louis, which in time became the superhighways of the west.

Also contributing to the book, which contains more than 80 illustrations, are Archibald Hanna Jr., curator of the Western Americana Collection of the Yale University Library; Dwight L. Smith, research history professor, Miami University; Dale K. Morgan, University of California library; Herman R. Fris, director of the Center for Polar Archives; John T. Flanagan, English professor, University of Illinois; John Porter Bloom, U.S. National Archives; and Nicholas Canady Jr., English professor, Louisiana State University.

Donald D. Miner, State University of New York, Richard E. Oglesby, University of California; and John C. Ewers, senior ethnologist at the Smithsonian Office of Anthropology, also contributed articles.

The book is dedicated to DeWitt C. Davis, "creator of two universities." Davis is president emeritus of SIU.

Parker Promoted by Nationwide Insurance

Bernard H. Parker, husband of a former Granite City resident, has received an executive promotion within the Nationwide Insurance organization. He has been promoted to vice president of field operations.

In the new post, he will set and direct policy in seven of Nationwide's 13 regions. He joined Nationwide as an agent in his native North Carolina in 1949 and has been a vice-president since 1967.

Mrs. Parker is the former Mrs. Veda of Granite City. She and her husband have three children and live at 1439 Clubview Blvd., S. in Worthington, a suburb of Columbus, Ohio.

Booklet on Student Finance Aids Issued

Ray Page, Illinois Superintendent of Public Instruction, announced today that the revised edition of Financial Aids to Illinois Students is available for distribution.

The publication is a guide providing information for financial assistance to Illinois youths seeking college scholarships. It is a combined effort of the state office and the American Legion "Need A Lift" program.

Richard L. Nicholas, department commander, Illinois American Legion, said "The Legion is proud of the part it has taken in the publication of this book and of its association with the Department of Scholarship Services of the state office. The Legion appreciates the assistance from Illinois colleges and universities and more than 200 national organizations that cooperated in this worthwhile effort."

Superintendent Page reports the book is an up-to-date guide and is a good reference source for information and a guide to millions of dollars available to youths who are seeking college careers. The information will be of valuable assistance to both parents and students planning careers.

Superintendent Page said it is important that parents and students visit with high school guidance counselors for assistance in educational plans and careers. He reports that copies of the publication are being sent to counselors of public and private schools, community libraries centers and other organizations working with students on educational planning.

Enrollment of 900 At Illinois College

Approximately 900 students, a near-record enrollment, have begun classes at Illinois College in Jacksonville, a private liberal arts college which is marking its 142nd year of continuous operation.

Joseph D. Diess, director of admissions, has released names from the registration lists.

Among the freshmen enrolled are Thomas Mates, son of Mr. Rodney P. Mates, 21 Eastgate drive, and Sara Merkelbach, daughter of Mr. and Mrs. Edwin Merkelbach, 2625 East 27th street. Both are history majors and Miss Merkelbach plans a double major in art and history.

GASP, Explorers Hold Glass Drive Saturday

A glass drive to clean up and collect glass of all kinds, including non-returnable bottles, will be conducted Saturday by GASP (Group Against Social Pollution), a Granite City high school club, and by Explorer Post 69.

Glass will be collected from 9 a.m. to 3 p.m. in an area bounded by Pontoon road, Clair avenue, Nameoki road and Wabash avenue, and will be given to the Owens-Illinois Glass Co. for "re-cycling."

Glass may be placed in bags or boxes near the street for collection. For further information or special pickup, residents may call 876-1064.

SIU-SW at 13,700 Ceiling, 23,843 Carbondale Students

Final fall enrollment at the two campuses of Southern Illinois University is 37,543 students, a six and one-half per cent increase over 1969.

Registrar Robert McGrath reported 23,843 students at the Carbondale campus, a jump of 841 from last year.

Enrollment at the Southeastern campus is 13,700, the ceiling set in August by SIU trustees. That is 1548 more than the 1969 fall quarter figure.

McGrath said freshman and sophomore class totals at Carbondale dropped slightly by 148

Area Students at Monmouth College

Quand-city area students are among approximately 450 new students, either freshmen or transfers, attending Monmouth College at Monmouth, this fall.

The freshmen will be in the class of 1973 at this private, co-ed institution founded in 1853. The school is a liberal arts college with an academic program centering on a three-term, three-course curriculum. This curriculum provides for more personalized study and greater concentration in field studies.

The new plan promises to catch on for use in other institutions, since individualized study and research begins as early as the sophomore year.

Many new facilities and innovative programs are available to the incoming students, including a library completed late in 1969 and occupied after a total student involvement project that accomplished the move of the entire library inventory from the old library to the new in below-zero temperatures.

Shortly after the opening of school this fall, probably within a month, another move will be taking place, as the four science departments enter the new facility on campus, a modernistic and highly functional building just across from the library.

In the new building each department will have its own floor, and each floor has been specifically designed to meet the needs of that particular department even to the inclusion of a greenhouse on the top floor to aid botany students in the biology area.

In other academic fields, pre-requisites have been dropped from courses where the faculty felt they had little effect on the upper level courses, so for instance there are over 20 courses in history open to freshman students instead of the typically freshman-oriented introductory courses of the past.

Acteons Choose Cindy Crews as President

The first meeting of the Emmanuel Baptist Church Junior High Acteons was held last week at the church with the leader, Mrs. Doris Fox, and her assistant, Mrs. Wanda Davidson.

Reading of the prayer calendar opened the meeting, with each girl participating. Scripture was then read by Rene Williams.

Election of officers was held, and the following were chosen to lead the organization: Cindy Crews, president; Donna Hanson, study leader; Rene Williams, activity leader; Tonya Davidson, treasurer; and Debbie Ackerman, secretary.

The community mission project for the month will be an outing to The Anchorage on Friday, Oct. 30, when the girls will go "treating."

St. Louis University To Show Film Series

The widely acclaimed British Broadcasting film series "Civilization" will be shown at St. Louis University during the next several months beginning Oct. 24. Each film showing will be followed by commentary by a university faculty member and a question and answer session.

The series of 13 color films traces the cultural history of Western man. It was written and narrated by Sir Kenneth Clark, eminent art critic.

Screenings of the 25-minute films will be on Saturday afternoons at 2 p.m. in Kelley Auditorium, 1001 Lindbergh. There will be no admission charge.

Several university departments and groups are sponsoring the film showings. They include the history department, Pius XII Memorial Library, University Committee on Fine Arts, honors program, instructional media center and Busch Student Center activities board.

The program coordinator is Thomas D. Rietmann, instructor in history.

The first film in the series, "The Story of the West," will be shown Saturday. Commenting on it will be the Rev. Maurice B. Kimes, S. J., professor of English and Fine Arts Committee chairman. He has done much research, including work in Europe on a Fulbright research grant.

On Nov. 7, "The Great Tides" will be shown with commentary by the Rev. George Brown, S. J., assistant professor of English and a scholar of medieval literature and history. Fr. Brown, who has a doctorate from Harvard University, has studied in a number of countries.

"Romance and Reality" will be shown on Nov. 21. The Rev. Lawrence Daly, S. J., director of the Vatican Microfilm Library, will discuss events and ideas of the period covered by that film, the thirteenth century.

Fr. Daly received the St. Louis Award in 1957 for conceiving and implementing the Vatican Microfilm Library in the University's Pius XII Memorial Library. The library, which now contains microfilm of 11,000,000 pages of Vatican documents, is the only depository of the material outside of Rome.

\$283,000 Modernization at Ill. Wesleyan

Work has begun on a \$283,000 modernization job on Presser Hall improvement program. Dr. Robert S. Eckley, president of Wesleyan, said this week.

The Fine Arts Complex project also includes an addition to Presser hall, an organ practice room, a school of drama, further renovation of Presser and a new building for the School of Art.

Work in the renovation and repair project will include the stage audience areas of Westbrook Auditorium, the ground floor rectal hall and the ground floor practice rooms and corridors on the ground floor.

Since many renovation plans involved areas damaged during the fire, university officials and supporters felt this was the

W. L. Gibson Awarded Vietnam Combat Badge

Army Private First Class William L. Gibson, 20, whose parents, Mr. and Mrs. William M. Gibson and wife, Barbara, live at 2325 Logan street, Granite City, Ill., has received the Vietnam Combat Infantryman Badge.

The badge is a unique and cherished award that is highly coveted by its recipients. The award was originated during world war II to recognize the role of the infantryman.

The CIB can be awarded only to a member of an infantry unit of brigade, regimental or smaller size unit who satisfactorily performed in active ground combat against a hostile force for a period of time.

Pvt. Gibson received the award while assigned as a rifleman in Company B, 1st Battalion, 506th Infantry of the 101st Airborne Division (Airmobile) in Vietnam.

He entered the army in September 1969 and completed basic training at Fort Ord, Calif.

The private is a 1969 graduate of Granite City high school and was employed by McDonnell Aircraft in St. Louis, before entering the army.

John W. McKemie is Outstanding Student

John W. McKemie of Granite City has been named a Distinguished Military Student at Texas A&M University.

A recognition of outstanding leadership, moral character and military subjects and academic standing, DMS status also carries direct benefit to the recipient.

The Army ROTC senior cadet may apply for a Regular Army commission to be conferred upon graduation.

"This represents quite a significant achievement in the life of the cadet," according to Tom Fitzhugh, Corp of Cadets Information officer.

Selection for DMS is based on leadership, high moral character, military science standing in the upper third of the ROTC class and standing in the upper half of the ROTC students in his academic college.

Annual Questionnaire On Veterans' Income

Ralph C. Schoeneweis, service officer of the Illinois Veterans Commission located at 201 East Broadway, Alton, is reminding those persons receiving pension benefits from the Veterans Administration, (not to be confused with service-connected disability compensation) that their annual income questionnaire card will be enclosed in the envelope with their pension check which they will receive on Nov. 1.

This card has to be completed and returned to the VA in order for them to continue to receive their pension. It has to be returned to the VA by Jan. 15, 1971, or their checks will be discontinued on Mar. 1.

"All questions on the card must be answered, and all spaces filled in. If the answer is 'none,' then show 'none' in that space. Remember be sure to look in the check envelope for your annual income questionnaire card," Schoeneweis said.

"Also, be reminded of a change in the widows' pension law, that where a widow has remarried and her second marriage has been dissolved by death or divorce, she may return to the pension or compensation rolls and receive benefits based on the service of her first husband, effective Jan. 1, 1971."

Study Rapid Transit Finance, Legislation

Charles J. Dougherty, president of the Chamber of Commerce of Metropolitan St. Louis, and St. Louis Mayor A. J. C. Evans, chairman of the East-West Gateway Coordinating Council, this week announced the names of their delegates to a joint committee to advise the Bi-State Development Agency's rapid transit consultants on financing and legislative matters.

The request for such assistance had been made by Robert S. Knapp, chairman of the Bi-State Development Agency.

Dougherty appointed to the committee Eugene F. Williams Jr., president and chief executive officer of the St. Louis Union Trust Co., Frederic M. Peirce, chairman and chief executive officer of General American Life Insurance Co., Donald O. Schnuck, president of Schnuck Markets, Lee M. Liberman, president, Laclede Gas Co., A. J. O'Brien, vice-chairman of the board, Ralston Purina Co., and James E. Meyers, secretary-treasurer, St. Louis Labor Council, AFL-CIO.

The East-West Gateway Coordinating Council, St. Louis County Supervisor Lawrence K. Roos, City Controller John H. Foelker, St. Clair Board Chairman Francis J. Foley and representative of each of the governors of Missouri and Illinois, yet to be named.

The Bi-State Development Agency expects to receive a final report on the rapid transit feasibility study, along with recommendations for the proposed 55-mile rail-rail rapid transit system, early next year. This study is being made by a consortium of engineering firms, Parsons Brinckerhoff-Tudor-Bechtel-Sverdrup and Parcell.

The first meeting of the finance and legislative committee will be held within the next several weeks.

**Halloween Plans at
Alton State Hospital**

Halloween, the first festive event of the fall season at Alton State Hospital, will include every resident in at least one or more programs.

The first observance was held Oct. 15 for the mentally retarded program of the eastern counties unit, and Mrs. Mary Gibbs, activity therapist, said, "Our wards were decorated and we played games which included bobbing for apples. Then the residents went to other wards to trick or treat."

Every ward has planned a similar special activity.

Activity therapist staff members are sponsoring a Halloween dance featuring Bill Strong's orchestra Oct. 30; all able residents may participate. Coffee, cider and doughnuts will be served.

An all-hospital program is planned to bus 300 residents to downtown Alton to observe a parade Oct. 31. While there, they will receive refreshments of caramel popcorn, apples and coffee.

Volunteer groups from Worden, Wood River, Rosewood Heights, Brighton, Plaza, Bethalto, Collinsville, Jerseyville, Alton, Edwardsville and Moberly have scheduled 28 activities during the month. Seven of these activities are being held at various places in the community, and residents of the hospital attended as their guests. Many of the events were developed around the Halloween theme.

Illinois Power Installs 800-Ton Precipitator

An 800-ton electrostatic precipitator slid into place on greased rails at Illinois Power Company's Wood River Power Plant last week. Before the end of the year, it should be in operation removing 90% of the particulate matter from emissions from the stack of the plant's 389,000-kilowatt No. 5 unit.

Most of the precipitator—150 feet long, 30 feet wide and 70 feet high—was assembled on rails on a concrete foundation to the side of the old mechanical precipitator. When the No. 5 unit was shut down about a month ago for routine maintenance, its old mechanical precipitator was dismantled. Last week the 800-ton section of the new precipitator was nudged along on the greased rails with jacks braced against vertical blocks on the rails providing the horizontal force.

In place, another 100 tons of equipment will be added and duct work constructed to connect the precipitator to the plant and to two sides of the stack.

Plates in the precipitator are charged at about 45,000 volts and this positive charge attracts negatively charged solid particles which would otherwise go out the stack into the atmosphere. Periodically the plates are automatically tapped and the trapped particles fall to a hopper to be carried away from the plant.

\$21 Million Program
Installation of the precipitator is a part of IP's \$21-million anti-pollution program to be carried out over the next four years.

Design work is being completed on another pollution-control device for Wood River's 100,000-kilowatt No. 4 unit.

This equipment, which will include a precipitator that will remove 99.7 percent of the particulate matter, will be the nation's first commercial unit for removing sulfur oxides from stack emissions and converting them to marketable sulfur. In this program, IP will share the cost of the unit of the Monsanto-Enviro-Chem Cat-Ox method with the National Air Pollution Control Administration.

Illinois Power Company, which serves gas and electricity in a 15,000-square-mile area, has four other major generating stations in the state.

Arch Trains Go on Winter Schedule

The winter schedule for the Gateway Arch Passenger Transportation System, which already has carried more than 2,000,000 visitors to the top of the riverfront monument, was effective Monday. The transports will operate from 9:30 a.m. to 4:30 p.m. daily through next April 30.

Since the average round trip to the observation platform 630 feet above the city requires 20 minutes—with time to view the panorama—ticket sales will be suspended daily to permit all ticket holders to make the trip up the Arch leg and return by climbing time.

The Gateway Arch Passenger Transportation System, operated by B-State Development Agency under a 30-year cooperative agreement with the National Park Service, does not run on Christmas or New Year's Day.

Smith Proposes Bill to Increase Campus Security

U. S. Sen. Ralph Tyler Smith (R-Ill.) has announced that he will introduce a bill in the Senate which would provide increased security against campus disorders.

"My bill would provide funds for public and private universities to expand their internal security forces and, more importantly, to better train and equip these front line forces," Smith said in a talk with students at the University Medical Center in Chicago.

Smith said that in his discussions with thousands of university people all over the state, "faculty, students and administrators, I have noted a recurrent theme of respect for the efforts of campus police."

The Senator said that respect is an important foundation on which to build into the university community feeling that it can take care of itself.

"The community itself must provide the first line of physical defense in the form of professional campus security police and student and faculty marshals, preferably selected from among the real campus leaders," Smith said. "But, the fact that we would prefer not to call in outside help does not mean that we will hesitate to call in all necessary forces to preserve order on our campuses."

Smith criticized his opponent, Adlai Stevenson III, for urging university administrators to postpone calling in police until the courts have decided whether a campus demonstration is an exercise of free speech or an unlawful disorder.

"I shudder at the grotesque vision of a desperate campus lawyer's frantic midnight visit to the home of a sleeping judge to get a determination as to whether burning buildings and riots in the streets constituted felony or free speech," Smith said. "Can he really mean what he says? Must he be reminded that there is no right, constitutional or otherwise, to burn and destroy with impunity?"

"If so, then I am here to remind him today. And I know that you and millions of other right-minded Illinois voters will be at the polls on Nov. 3 to reinforce for him this elementary lesson in democracy."

Richard Heatherly Wins Second Medal

A Granite City soldier who is expected home from Vietnam just 23 days from today has won a second medal for meritorious service while assigned to the 25th Infantry Division in the combat area.

Army Specialist Four Richard Heatherly, 21, son of Mrs. Mary Webb, 2145 Monroe avenue, recently was presented the Bronze Star Medal.

Earlier this year, he earned the Army Commendation Medal for meritorious achievement in connection with military operations against hostile forces in the Republic of Vietnam from March 1 to April 30, 1970.

The citation which accompanied the Bronze Star Medal reads in part: "For meritorious service in the Republic of Vietnam during the period November 1969 to November 1970. Sp4 Heatherly's rapid assessment and solution of numerous problems inherent in a combat environment greatly enhanced the Allied effectiveness against a determined and aggressive enemy."

"Despite many adversities, he invariably performed his duties in a resolute and efficient manner. He energetically applied himself to each task which contributed immeasurably to the United States mission in the Republic of Vietnam."

His loyalty, diligence and devotion to duty are in keeping with the best tradition of the military service and reflect great credit upon himself, his unit and the United States Army.

Sp4 Heatherly enlisted in the Army in April 1969. He attended Granite City high school and was employed at Laclede Steel Co. prior to joining the service. For the past 11 months, the local GI has been stationed in the vicinity of Cu Chi, Vietnam.

Judge Monroe Speaker At Arkansas Seminar

State judges from throughout Arkansas convening at Little Rock this fall for a refresher course and discussions on current legal problems have heard the views of Circuit Judge James Monroe Jr. of Collinsville, one of the out-of-state guest lecturers.

The program is presented by the Arkansas State Judicial Council and the National College of State Trial Judges. Council President Murray Reed and Chief Justice Carleton Harris opened the sessions, attended by all chancellors and circuit judges.

Topics included community relations, free press-fair trial problems, current legislation, evidence and special problems in court administration — including "the disrupted trial." Judge Monroe taught the course in evidence.

The National College, established by the American Bar Association, with regular courses each summer, presents short courses through the year for state and regional judicial conferences. U. S. Supreme Court Justice Tom C. Clark, retired, is chairman of the College Board.

'Family Fun' Theme of 'Expeditionland' Here

A monthly meeting of the Southwestern Illinois Expeditionland Tourism Council has been called for Wednesday evening, Oct. 28, at Rusty's restaurant, Edwardsville.

The Tourism Council is composed of volunteer citizens from 11 counties—Madison, St. Clair, Bond, Calhoun, Clinton, Fayette, Jersey, Marion, Monroe, Montgomery and Washington.

Ralph Stauder of Belleville is president. Clarence Foutte of East St. Louis is vice-president. Dale Henry of Carlyle is secretary and Harry Truitt of Vandalia is treasurer. Robert Sullivan of Springfield is tourism division supervisor.

George Arnold of Edwardsville is the Madison county director.

The council, working closely with the Illinois Division of Tourism, actively promotes tourism through promotions, advertising, personal endorsements and general publicity.

Current promotional plans include a new, 80-slide, full-color slide presentation and fact kit, "Family Fun in Expeditionland," available to organizations free of charge.

The first showing of the Expeditionland slide presentation was Oct. 21 to the Collinsville Chamber of Commerce by George Gregory and Wayne Schlosser.

Anyone desiring information may write Southwestern Illinois Expeditionland, P. O. Box 286, Belleville, Ill. 62222.

Protestant Welfare Handles 43 Cases

During the month of September 43 cases involving 134 persons were handled by the Protestant Welfare Association, according to a report submitted by Mrs. Marie Whittle, office secretary, at a monthly meeting held at Suburban Baptist Church Tuesday evening.

During the month only 23 orders were distributed and total relief was \$300. Of this amount \$191 was for food; \$58 for utilities; and \$51 for clothing. Other orders from the store room, including clothing and shoes, were estimated at \$200.

The meeting opened with a devotional service led by George Cook, in the absence of the host pastor, and Mrs. Norma Richardson reported on the "Fun Fair". Protestant Welfare received first place award for its booth at the Fair.

Other reports were given and a nominating committee was named. It includes Miss Virginia Segar, Charles Reimers, and Hugh Foster. The next meeting will be held Nov. 17 at the Nameoki Presbyterian Church.

THE OLD CAMPMEETING TABERNACLE

22nd and Bryan, Granite City, Ill.

People of all faith and denomination are coming from all over the city to hear this 11 year old boy minister God's word. It is unbelievable how he speaks the gospel of Christ with such wisdom, yet with the simplicity it takes to touch the heart of the sinner and stir the heart of the saved. People are being set free from the dominion of sin, being healed by the power of God, as Bro. Jacki and Bro. Browning pray the prayer of faith. Sat., Oct. 24th will be a water baptism service, in the Name Of The Father And Of The Son And Of The Holy Ghost. Everyone come, 7:30 Nightly.

PASTOR REV. CHARLES BROWNING

VOTING IS EASY on the voting machine which will be used for the first time in Madison county on Nov. 3. When voting for each candidate, be sure that the small lever points toward his name and that an "X" appears in the box.

Use of Voting Machine Easy, Accurate

By GARY SCHNEIDER
Press-Record Staff Writer

Madison county voters, on Nov. 3, will encounter something new at the polls. Voting machines will be used for the first time.

To many, the machine may appear a somewhat complex device which may require a small degree of experimentation before the voter manages to cast his vote. But with a basic understanding of how the machine works, little if any trouble should be experienced in voting.

The voting machine to be used in the election in Madison county is the Shoup voting machine, a complete, self-contained system for recording and counting votes which are locked and sealed in the machine to provide immediate, accurate election results in each precinct.

It undoubtedly is more accurate than the counting of paper ballots and guarantees that every vote is counted.

The machine accumulates totals for each candidate. So your vote will be secret, even after the machine is opened and results are tabulated.

Can't Spoil Ballot
Mechanical safeguards in the machine make it impossible to spoil your ballot until you are satisfied with your vote. It further assures that you cannot vote for two opponents in any one race. If you do make an error, you can correct it before the vote is recorded.

After the polls close, the seal on the counter is broken in the presence of election officials. When this is done the machine is automatically locked against further votes being cast.

When the sealed section is opened, front reading counters disclose each candidate's total vote under his name. The totals are automatically locked in position so that they may not be changed until they have been officially recorded by election officials.

The results of the voting on each machine is available in a fraction of the time required by judges to count paper ballots.

To guarantee that each voter casts only one ballot, the election judge must depress the judge's latch on the side of the machine before each voter enters the booth. Only one ballot can be cast until the latch is pressed again for the next voter.

When you enter the voting machine you will notice a large red handle in front of you at waist level. When you pull this handle all the way to the right, the curtains will close behind you and the machine will accept your ballot. Do not open the curtain again until you have voted.

On the face of the machine will be the candidates names under the name of the political party on whose ticket each is running. All Republicans will be in one vertical row, all Democrats in another, and so forth. Beside the name of each candidate is a lever pointing up and to the right.

To vote for a candidate, you need only turn the lever beside his name to the left so that it points toward his name. When you pull the lever, an "X" will appear near his name assuring you that your vote will be cast for that candidate when you have completed your selections.

If you should change your mind, simply return the lever to its original position and turn the lever for another candidate for that office.

Use Same Procedure
Continue voting for candidates until an "X" appears beside the name of each man for whom you wish to vote.

If you wish to vote a "straight" party ticket (vote for every candidate in one party) you need only pull one lever, a large chrome handle at the top of the party column. The handle for the party of your choice may be found directly to the right of the party name at the top of the board. When you pull this lever, it will turn all of the pointers in that party's column to the left and an "X" will appear beside the name of every candidate in that party.

If, after voting a straight party ticket, you wish to change your choice, you need only turn back the lever for one candidate and turn down the lever of another running for the same office.

If you wish to cast the majority of your votes for candidates in one party, you may use the party lever to turn the small levers for all candidates in that party and then change individual candidates votes as described above.

The voting machine is designed so that only one lever can be in the down position for any one office, so it is important for you to remember to push the lever by the candidate name in your chosen party up if you wish to vote for a candidate in another party.

After all levers are set, look over the board to be sure that all of the "X" marks are showing by the names of the candidates of your choice. In this way, you can be assured that your vote will be cast accurately.

After you have set all of the handles in the desired voting positions and all of the candidates for which you wish to vote have an "X" mark showing by their names, you need only pull the handle with which you closed the voting curtain, to the left, and your vote will automatically be recorded. All levers will return to their normal position before the curtain opens.

If a mistake has been made, you should notify an election official immediately of the error so that your vote may be cast correctly.

VA Pensioners To Get Income Questionnaire

Over 50,000 Illinois veterans and dependents who receive monthly VA pension checks have been alerted they will receive annual income questionnaires with their Nov. 1 check.

John B. Naser, director, Illinois VA Regional Office in Chicago said today.

Naser pointed out 1971 pension payments will be based on information submitted by the recipients. He urged prompt response to the questionnaire so payments will be withheld unless the form is completed and returned no later than Jan. 15.

VA pension payments go to veterans totally and permanently disabled from injury or illness not connected with military service. Widows and children of deceased veterans may also be eligible for such pensions if they meet certain income limitations.

Roca Offers Halloween 'Prank' Insurance

Insurance policies to cover mischief in Halloween vandalism are now available from Roca Young Men's Club members at Granite City high school.

The policies, which cost \$1 each, cover Halloween night pranks excluding those which would require the replacement of any physical section of a home or requiring the use of equipment not owned or regularly operated by members of the club.

The job of cleaning up after Halloween vandalism will be done by club members before 6 p.m. Nov. 1 or as soon as possible thereafter.

Each Roca member is required to sell five policies. The profits will go into the club treasury for regular activities. Further information is available from Jim Birdsong at 877-1858, after school hours.

Madison Lions To Host Explorers on 'Birthday'

The Madison Lions club will host members of Explorer Post 10-4 at a dinner, complete with a birthday cake, on Oct. 29 it was announced today by Lion President Don Bridick.

Post 10-4 is finishing its first year of operation and will begin the second year Nov. 1.

During the first year of operation the law enforcement specialist post has grown from six members to an active membership of twenty five.

"Activity has been the key to success along with an excellent group of young men as officers," Bridick said.

During the past year the Post, which is co-sponsored by the Madison Police Department, has made five camping trips, including one where they were trapped by high water.

Areas of law enforcement that have been studied so far include local police department, county sheriff and state police operation.

The Explorers also have spent several hours in self-defense training and instruction in fire-arms.

Criminal law and proper procedures of arrest, supreme court rulings, drugs, traffic control, canine corps and decoy squad functions have all been topics at Explorer meetings.

Currently the Explorers are studying the functions of the many federal law enforcement agencies.

A major event of the past year occurred when the Explorers spent two days at a police seminar at the St. Louis Police Academy.

Post 10-4 meets on the second and fourth Wednesday at 7:30 p.m. in the Madison Police station. Any boy of High School age interested in law enforcement, or any area police officer, is welcome to attend the meetings.

Webster Tours Held; Spook Carnival Friday

Approximately 500 students and parents attended an open house at Webster school Monday evening, followed by the monthly meeting of the Parent Teacher Association.

The faculty was presented with corsages and bouquets by the PTA president, Mrs. Vincent Scrum. The classrooms displayed work the children had completed since September and the teachers greeted the parents and commented on the progress of the students.

Mrs. Wilma Andrews, membership chairman, assisted by several room mothers, conducted a membership drive and 69 new members were welcomed. Mrs. Scrum welcomed the gathering and the vice-president, Mrs. Diana Dietrich, read the PTA prayer. Reports were given by the secretary, Mrs. Eva Arbogast, and treasurer, Paul Lingke.

Mrs. Allene Moore and Mrs. Doris Stotz, co-chairmen of the annual "Spook carnival" that will be held Friday at the school, gave a report and noted that a king and queen will be crowned at the sixth grade level at 6 p.m. in the gymnasium.

She asked for support of an added attraction this year, "Christmas in October," which will feature handmade articles, Mrs. Joan Schweertman displayed several of the articles which mothers have been working on this year.

Ronald Eaton, co-chairman with his wife, Mrs. Pat Eaton, and Norman Stotz, spoke on a fish fry that will open the carnival. Eaton said proceeds will supplement field trips, Christmas treats and the school picnic.

Principal Clyde Lee reported on name plates for the teachers and conducted a room count. Mrs. Marguerite Ready's first grade class received the top attendance award and a traveling banner.

The evening's prize was won by Larry Herzing and a get-acquainted hour was held in the cafeteria. Refreshments were served by the faculty members.

Newcomer Club Plans Election

Mrs. Shirley Morrison, president, conducted the Monday night meeting of the Granite City Newcomers Club, held in the 300 room at Tri-Mor Bowl. Reports were given by Mrs. Louise Ware and Mrs. Pat Wyatt.

The nominating committee, composed of Mesdames Louise Ware, Pat Wyatt, Judy Swift, Jean Bevis and the chairman, Betty Schuster, presented a slate of officers. Nominated were Mrs. Arla Ault, president; Mrs. Swift, vice-president; Mrs. Ware, secretary; and Mrs. Wyatt, treasurer.

Election of officers will take place at the Nov. 16 meeting, with the installation at the January meeting.

Sgt. Joseph Nemeth of the Granite City police department presented the program for the evening on narcotics. He showed a film and displayed various types of drugs following his talk.

Guests introduced by Mrs. Mary Jane Hart were Mrs. Patricia Jett, who has moved here from Dixon, Ill., and Mrs. Faith Holsinger, who moved here from Florissant, Mo.

The president announced that new memberships will be due in November, and that the annual couples' Christmas dinner dance will be Dec. 12 at Fische's in Belleville. Mrs. Joanna Spencer is chairman of the event.

Mrs. Theresa Jablonski received the evening's prize. She announced that the sewing and knitting group will meet Nov. 20 at the home of Mrs. Judy Oizer.

Cake, coffee and tea were served to those present. A Halloween centerpiece decorated the table.

The next meeting will feature a program on gift wrapping. Members will participate in a holiday gift exchange. The club voted to present proceeds from its booth at the Charity Days event to the Education Committee for Special Education to assist with the programs for children in this community.

Coolidge Open House Monday

Mrs. Maxine Ellington, president of the PTA at Coolidge Junior High School, presided during the Monday night meeting of the executive board, held in the school library.

Reports were given by Mrs. Katie Wilson, Mrs. Arlene Halderman, Mrs. Mary Fehrman, Mrs. Arlene Laub and James Dumont, principal.

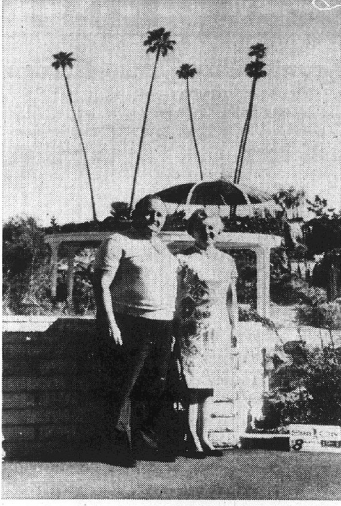

Plans for the school's "open house" were completed. The school will be open for visitors Monday, Oct. 28, between 7 and 9 p.m. Coffee will be served in the cafeteria, where the PTA will be sponsoring a bake sale. Mrs. Laub is chairman of the sale.

Announcement was made that a dance will be held at the school Friday night, Nov. 6, from 7 p.m. to 9 p.m. under sponsorship of the PTA.

The next PTA meeting will be Monday, Jan. 25 at 8 p.m. The program will be "How Bad Is Drug Abuse in Junior High Schools?" given by Gerald Brown, assistant principal at Central junior high.

Junior Service Will Hold Hearing Clinic

Projects were planned for the remainder of the 1970-71 year at a meeting of the Granite City Junior service club at the civil defense building Monday evening.

The president, Mrs. Charlene Pohlman, was in charge. It was decided to sponsor a hearing screening clinic for pre-school children in May; Mrs. Wilma Edgington will be the chairman.

The club discussed buying and donating Christmas gifts for older patients of the Madison County Mental Health Foundation; gifts will be turned in at the November club meeting.

Mrs. Jean Ann Vrenick spoke on the success of a fall magic show. Mrs. Edith Ross said funds from card sales are due; those seeking Yale or all-occasions cards are to contact her.

Miss Flora Mae Lensing is in charge of sale of Christmas wrapping paper and each member is to sell five packages. Mrs. Carol Trittschuh collected gifts for a disabled girl in St. Louis whom the club sponsors. It was noted the birthday club met at The Colonnades nursing home with Mrs. Lil Grissom, chairman.

Mrs. Loretta Krekovich will be in charge of a November pot luck dinner that will be preceded by a club business session. Mrs. Mary Noeth will supervise the Christmas stocking project for St. Elizabeth Hospital.

Mrs. Francisca Radwen will be chairman of the annual Christmas party Dec. 14 at the Robert E. Lee in St. Louis.

Mrs. Pohlman reported on a laus progressive dinner held under the direction of Mrs. Marilyn Bodman. The members visited in homes; appetizers were

SURPRISE PARTY FOR 50TH ANNIVERSARY

A surprise dinner party was given this week at the Round Table Restaurant in Collinsville by the children of Mr. and Mrs. Valian Parsaghiian, 1751 Poplar street, to celebrate the 50th wedding anniversary of the couple.

Fifty guests present at the celebration enjoyed the dinner and witnessed the renewal of their wedding vows by Mr. and Mrs. Parsaghiian with Rev. Khoren Habeshian, of St. Gregory's Armenian Apostolic Church, officiating.

The couple was married Oct. 16, 1920, in Izmir, Turkey, and has lived here since that time. They have two sons, Ruben and Bob Parsaghiian of this city, and a daughter, Mrs. N. (Sylvia) Keshian, who was here from DesPlaines, Ill., with her family to take part in the celebration. There are also six grandchildren and one great-grandchild.

Mrs. Parsaghiian was employed by the General Steel Industries Inc. for 38 years until his retirement in 1959.

ATTEND DAV DISTRICT MEETING

Mrs. and Mrs. Ray Hoelter, Mr. and Mrs. Bob Ming, Mr. and Mrs. Leo Kelly and Bill Bratton were in Olney, Ill., the past weekend to attend a district meeting of Disabled American Veterans. The latter, commander of the Egyptian District, presided over the meeting. Mrs. Hoelter is state commander of the DAV Auxiliary.

While in Olney the group was entertained in the home of Mr. and Mrs. Billie Franklin. Mrs. Ming is department musician.

Science Making Progress in Field Of Crime Prevention and Detection

(American Institute of Physics)

The last of the more than 250 passengers have boarded the 747 and the big plane will soon begin to taxi to the end of the runway.

The pilot adjusts cabin pressure, pushes a button and the small infrared detector units mounted in the cabins and then radios the tower to send the airport police.

Quietly and before disaster can strike, the officers remove the young couple as actively discussing the New York Times editorial section — with a sheet of plastic outside the lining of the suitcase under her seat.

The officers also remove three men sitting in widely scattered locations who have guns in their clothes or luggage. And finally they take the tourist type sitting in 14F with two pounds of high grade marijuana in his fake movie camera.

The science of tomorrow use of the science we already know has been proposed by Alvin Bober as a backup to the airport inspection systems which have done such a good job—but not quite a perfect job—of catching people who would carry weapons, poisons, or other contraband on to commercial aircraft.

Writing in the September-October issue of "Applied Spectroscopy," official publication of the Society for Applied Spectroscopy, Bober suggests that this is just one of many potential uses for spectroscopic devices and techniques in criminalistics.

In this case, the cabin-mounted detectors would evaluate the vapors from everything from the cabin and respond to those for which it had been programmed.

With a portable x-ray spectrometer, which was designed to detect gold, he can quickly check all of the packages and pass those which contain no contraband.

Emission spectroscopy has been used to detect lead mines, reacting to the vapors from the TNT of the buried explosive.

Spectroscopy, in general, requires a very small sample. Bober points out in some applications, the spectrochemical analysis is nondestructive. X-ray spectroscopy is particularly applicable to small samples that cannot be—or should not be—destroyed or altered.

Spectroscopy is a vital tool that can be applied to a variety of endeavors, Bober points out. Criminalistics is one field where its application is proving successful.

Primary Elections Proposed for Judges in Illinois Court System

(Taxpayers' Federation of Illinois)

The most recent amendment to the Illinois Constitution of 1870 was to the Judicial Article, approved by the voters of Illinois in 1962. Effectively, the 1962 Constitution has been in force since 1962.

The Taxpayers' Federation of Illinois Convention sought to perfect this article.

The Constitutional Convention which adjourned on Sept. 3 proposed a plan for judges of the supreme, appellate and circuit courts to be nominated by popular election or by petition, instead of party convention, and election at general election.

The question of appointing judges at all levels by the Governor from nominees submitted by judicial nominating commissions, is also offered in the new Constitution if it is approved.

If the new Constitution is approved but neither plan for choosing judges is approved, then the applicable provisions of the 1962 Judicial Article will remain in effect.

The vote required to retain a judge in office at the end of his term (when he runs against his record) is increased from a simple majority to three-fifths of those voting on the question.

A new Judicial Article is proposed to have authority to receive or initiate complaints against judges, and to investigate the same. If such investigation produces evidence to back up the complaint, the Inquiry Board may file such complaint with the Courts Commission and if it does, the Courts Commission shall hear the complaint.

The impeachment power of the General Assembly contained in the new Judicial Article which the voters will have the opportunity to study before voting on Dec. 15, 1970, are:

The mandatory appellate jurisdiction of the Supreme Court is reduced. The Supreme Court is given authority to assign constitutional appeals of lesser importance to the Appellate Courts; provisions for filling vacancies in judicial positions are precluded; and permission is granted for two or more counties to join for the purpose of electing a single state's attorney.

In addition, the clerk of the supreme court and the clerks of the appellate courts shall be appointed (not elected) by the respective courts.

However, circuit court clerks may be elected or appointed as the General Assembly sees fit.

Reserve of Substitute Teachers

By ROBERT M. BECKWITH, Manager Illinois Chamber of Commerce Education Department (Ninth of a Series)

THE 45-15 PLAN of the Valley View school district, Rosemeville, Ill., STATE TAX AID.

The district received one-sixth of its general state aid entitlement for 1970-71 immediately following the final approval of the Common School Fund Appropriation.

This advance payment of state aid resolved any financial problems during initial start-up.

School districts outside Illinois would need to determine how they would be affected by their state aid formulas. Additional legislation may be necessary.

Major Airport Called Inevitable

OCTOBER 22, 1945

"Development of a major airport in either Madison or St. Clair county is inevitable, but it depends upon the cooperation of the people," Lieutenant Governor Hugh W. Cross told 223 Citizens at an "aviation forum" discussion which featured the annual meeting of the Chamber of Commerce of the Tri-Cities, at the Masonic Temple.

The view was echoed by Ben Regan, head of the Illinois Aeronautical Commission, David Shaughnessy of American Airlines and John Randolph, manager of Lambert Airport. They described the Horsholme area as an ideal site.

Miss Ethel LaBarge was crowned as 1945 Harvest Queen at the Granite City high school homecoming play. Attendees were Misses Henrietta Rogers and Harbottle Rogers. A "standing room only" audience viewed the play, "A Beggar on Horseback."

that it occasionally becomes the least worst of several undesirable options.

If a Quad-Citizen saw someone systematically wiping out the families in his neighborhood and gradually moving in his direction, he at some point would be prompted to take preventive action. This is a microcosm of what sensible governments are doing when they mobilize and retaliate. Nations lacking in sense unfortunately need little pretext to attack.

The neighborhood makes defensive action seem somewhat reasonable, but when issues are magnified to national proportions they tend to become blurred. And when war goes on almost endlessly, as in Indochina, it appears especially cruel; the combatants who are well aware that their sacrifice is not being matched by others, that it is virtually "peace-time business as usual" in their home community.

Life goes on, enriched by their selflessness but nevertheless occasionally ignoring their contributions.

"All Quiet on the Western Front" used as part of its symbolism, infantrymen's boots brushed to shining splendor during training only to fall to the dust with their slain owner and then to be passed along to a shivering companion when soldiers are killed in short order.

Boots worn proudly by American fighting men, in the 1770s and 1970s, have removed and are removing the heels of despots from the throats of millions of fortunate and thankful people. This, in our opinion, is the truth about the United States and its wars.

Sound Decision on Madison Tavern Hours

Madison council members displayed statesmanship by adopting uniform tavern hours—1 a.m. on five days a week and 2 a.m. on Friday and Saturday nights—beginning Oct. 31. There was considerable pressure not to change the 1 a.m. closing law, which has been in effect for many years.

Although some loss of business is probable, many Madisonians will have a more positive image of their municipality. And law enforcement efforts undoubtedly will be more effective; with fewer people on the streets late at night, traffic crashes, thefts, vandalism and fights will be easier to control.

Lyle Gulley President of Hospital Board

Election of Lyle F. Gulley, president of Granite City Steel Co., as president of the St. Elizabeth Hospital governing board reflects his dedication to the future of this community and its institutions, and also the hospital's close link to this geographic area and the people who live and work here.

Hospital service has become a big business, with items of necessary equipment increasing in number and cost. The hospital is a vamped hospital board, with Mr. Gulley at its helm, undoubtedly has the cumulative experience necessary to face the many challenges which lie ahead.

Each of Us Can Afford United Fund Outcome

At this stage of the annual United Fund drive, the volume of receipts and pledges may appear so large as to be beyond much alteration by individuals, who are left to watch from the sidelines as the campaign either reaches or fails to reach its goal. Nothing could be less correct.

Quad-Cities have it completely within their power to make a difference in the success or failure. Those who have not given may do so by contacting the United Fund office, 2021 Edison avenue, telephone 877-6780. Those who have contributed already can increase their level of giving with a call or visit.

Man's capacity for justice makes democracy possible; man's inclination to injustice makes democracy necessary.

Candidate Said to Have Reversed Self on Gun Registration Issue

To the Editor: "It would be difficult to outlaw all rifles and shotguns because of the hunting sport. But there should be stiff regulations."

"The day may come in this country when police are issued weapons for 24 or 48 hours when tracking down armed criminals."

"As chairman of the Illinois House Executive Committee, Stevenson spearheaded attempts in 1965 to include rifles and shotguns under a statewide system of licenses and permits much like New York's infamous Sullivan law."

Writing in the January 1967 "Good Housekeeping" magazine, Stevenson expanded on his views.

"How best can we prevent guns from falling into the hands of the irresponsible segment of society? Should the rights of law-abiding citizens have been suggested. One is to ban manufacture or sale of all handguns."

"Another is to require that guns and ammunition be kept in a central storage place."

And Stevenson's influence can surely be discerned in the adoption by the Illinois Democratic Party this year of a platform plank calling for "new legislation prohibiting the ownership and possession of handguns."

But Stevenson's activities extend beyond Illinois.

A charter member and director of the National Council for a Responsible Firearm Policy, he presumably shares the views of its secretary, who wrote: "I personally have been shocked by the personal violence in the world and especially back in Granite City. This is my second tour in Vietnam."

While I was home on leave, I talked to a few people and it dawned on me that the people back home don't really know what's going on over here.

When I would talk to them they would say, "Well, such and such a fellow who has been in the service because I saw it on television." Or, "I read about it in so and so."

What about the feelings of the individual? What about the cook, the clerk, and the maid, what about the infant, the child? All these men have separate feelings. If you ask me, I think that is what the people back home want to know.

We've heard enough about this fight or that fight or how many men were killed today. What about the feelings of the family which has a son or husband over here, or had one who was over here?

Most newspapers and other news media don't care about those types of stories. All they are interested in are the headlines and making the almighty dollar.

16 YEARS OF SERVICE to boys by the Twilight Optimists were observed at a "guest night" this week. From left to right are Robert Tucker, governor; I. J. Pitman, club president; Robert Hunter, guest speaker; and W. H. Hill, past governor.

Twilight Optimists Celebrate 16th Year

The Twilight Optimist club of Granite City hosted a dinner meeting at the Elks club Monday night. Club members' wives and prospective members and their wives were special guests. J. J. Pitman, president, presided and honored guests were Zone 13 Past District Governor W. H. Hill of Fairview Heights and District Governor Robert Tucker of East Alton. Roger Hunter, chief engineer of Station Wrth, Wood River, spoke on "Radio-A Nostalgic Look."

During the meeting, it was noted that the club had its beginning 16 years ago last month and has sponsored bowling, softball, baseball and basketball teams for boys as "Friend of the Boy." The club also has participated in scholarship grants.

Charter members present were Barry Loman, Charles Meyer and Theodore Overbeck.

3 simple questions can save you a lot of grief on insurance.

1. How many companies do you represent?
2. How do I keep my insurance up-to-date?
3. How do I file a claim?

Pick up the phone and put them to your insurance man. Right now.

If he tells you he works for just one company, or that it's up to you to keep your insurance up to date, or to get in touch with the Claims Department—tell him good-bye. Then look for a man who displays the symbol below.

And call him right away.

He's an independent agent. An insurance professional who represents many strong companies, but isn't tied to any one. Which means he's free to work for you.

He has both the time and incentive to comparison-shop policies for you; to see that you're properly covered as conditions and values change; and to help when you have a claim.

Give your man this short quiz. If he fails, switch fast. To the man with the right answers.

Get Cars Ready for Winter, Police Chief Veizer Warns

Chief of Police Ronald J. Veizer said today he's started thinking "cool." He hopes all Granite City drivers will follow his example.

Chief Veizer's "cool" has to do with his department's winter traffic problems—untangling traffic snarls and keeping essential services moving. According to the chief, winter's first, in a major storm usually catches drivers by surprise, and unprepared.

"Summer driving habits are the first casualties," he pointed out. "Drivers fail to compensate soon enough for winter's differences. The results are blocked traffic lanes and dangerous tieups on Granite City's streets and highways."

Winter's two disabling tricks are reduced visibility and inadequate traction. Both, Chief Veizer pointed out, require careful attention to driving skills as well as to the vehicle and its equipment.

Use Slower Speeds
Smooth driving, without sudden changes in either speed or direction, is the key to good winter driving according to the chief. This means slower than normal speeds and more distance between your car and the car ahead for an extra margin of control and for more time to react.

As for the vehicle, Chief Veizer suggested a basic checklist recommended by the International Association of Chiefs of Police and the National Safety Council.

Engine Tune-Up—Include inspection of battery, generator and electrical system for dependable starts and to prevent stalls during sub-zero weather.

Anti-Freeze—Check and replace if necessary. Most "permanent" types of anti-freeze should be drained and replaced every two years.

Tires—It takes good tread to grip snow and ice. Snow tires, if not worn, provide better traction than regular tires in snow—but are less effective in stopping on ice. Studded snow tires are recommended on all four wheels to improve braking as well as steering control on ice.

Tire Chains—Reinforced tire chains are best for severe winter conditions. They give needed traction for pulling through deep snow and climbing icy hills. They afford better control for stopping and starting.

Have Brakes Checked
Brakes—Have them checked and adjusted periodically. Grabbing brakes are sure to throw you into a skid on slippery pavements.

Exhaust—System must be tight. Carbon monoxide is deadly.

Windshield—Defroster must be capable of clearing glass of ice and fog quickly. Wiper blades dried by summer heat need replacing. Washers need proper anti-freeze solution to prevent water squirted onto glass from freezing into a sheet of ice.

Lights—Headlights, taillights and directional signals should be in perfect order. Clean all lenses frequently.

"We follow these thorough, pre-season check-outs religiously on all our department and emergency vehicles," Chief Veizer emphasized. "We hope all Granite City drivers will follow the same 'cool' thinking we do."

Autos Collide
The autos of Sandra Carpenter, Troy, northbound on Nameoki road and turning left onto 28th street, was struck from the rear by the northbound auto of Larry Monroe, 2324 Cardinal avenue, at 5:20 p.m. Monday. Both cars were damaged.

Democrats Here Spotlight Law, Jobs, Taxes as Nov. 3 Campaign Issues

Granite City Democrats are rallying around their party's cause in the Nov. 3 election, citing law enforcement, unemployment and taxation issues.

Many of the campaign points were discussed at a two-weeks-to-go dinner for precinct workers, held at Tri Mor Bowl. Invited guests included nominees on the November ballot.

Mrs. Shirley Parney, president of the Democratic committeewomen, and her committee had charge of the dinner. William Warfield, president of Granite City Democratic committeemen, chaired the speakers' podium.

Federal Prosecutor Tom Foran of the North Federal District Court of Chicago was the keynote speaker. He was introduced by State Rep. Horace Calvo, incumbent of Granite City. Four hundred attended.

Foran said he had faced the "hardest of the hard hats" in Chicago during difficult times. He made reference to the eight months he spent in the Chicago Federal Court in the prosecution of Jerry Rubin, one of eight on trial there.

Oppose intimidation, he said, was the theme of the prosecution of Jerry Rubin, one of eight on trial there.

It was Foran's conviction that "our country is being intimidated by a tiny amount of people of the hard hat."

He implored the public to "refuse to be afraid of the few."

He emphasized that "across our nation, people believe in law and peace in the streets is not a partisan issue."

Foran appeared in behalf of the party's candidate for United States senator, Adlai E. Stevenson III, Illinois state treasurer.

He told those present that Stevenson's view on the subject of law is this:

"Law equals a sword and, in instances, must be used to injure people who make attacks upon our country."

"The more humane use of the sword of law is when it serves to cut away a cancer such as that now in the midst of society. It needs to be applied skillfully as a trusted surgeon's scalpel."

Critical of GOP
Foran also said that picturing law as being hateful and repressive appears to be the way some Republicans who are candidates define law.

He cited an F.B.I. report on "crime in the streets" and statistics listed on the nine highest-crime-rate states. He asserted that seven of those states have Republican governors.

"The state with the highest crime rate is Maryland, the home state of Vice-President Agnew, who is campaigning across the land in behalf of Republican candidates."

"No candidate has the prerogative to 'wrap himself in the flag of law.' When this is done, it is repulsive to me as a man of the law in service to the country," Foran commented.

Old Involved, Young Blamed
Addressing a large group of the Teen Age Democrats who were present, he continued by saying a ridiculous assumption has been applied to young people by some, such as in the case of the Chicago Eight.

He stressed that the ages of the defendants ranged from 30 to 56. He said to attempt to blame what they did on the youth of this nation is an "outrageous and cruel thing to do."

"Recalling a conversation with his son ten years ago, Foran said they concluded in their discussion that the most difficult challenge to America was in the operation of its government."

"In our belief, the period following the death of President Kennedy saw our nation slip into cynicism."

"Some people felt that the 'days of Camelot' were over. The lights were dimmed, the banner had been furled, they feared."

"This is not so. The days of Camelot are still here. The banner is still flying. The lights are still on. The banner has been furled, they feared."

Speaking directly to the youths present, Foran said: "If anyone can say of some generation, and it is your generation, that the parade is over, tell them that the parade is never over and we will be worthy of the great men who lived and died to make this land free."

"The issues are clear-cut and sharp. A 'thumbs up' symbol needs to be adopted. It's in the tradition of Americans to love their nation and respect their fathers, scholars and all decent men."

"These are traditions reversed by Mr. Stevenson. 'We must love one another, and love the country for its greatness and what it stands for. It can be better, and we have only to make it so,' Foran said."

"Man-Made Depression
Appellate Judge Joseph H. Goldenhersh, candidate for the Illinois Supreme Court, told the gathering that a key issue in the Nov. 3 election is the economy. "The issue confronting the people in 1970 makes this the most crucial year since 1936."

"In two years of Republican administration of the country, they manipulated a period of unprecedented prosperity and caused the first man-made depression."

"Inside an air-conditioned office in Washington a lowly man who is presently unemployed is but a statistic."

"But the same man here in Granite City or its environs is a laid-off person unable to support his family."

"Any lady knows too well how difficult is the task of shopping for essential groceries in today's economy," Goldenhersh said.

He said Governor Ogilvie said an income tax is not needed in Illinois when he was campaigning for governor.

The judge stressed "the unfairness of such a promise, for we find we are burdened with that very tax."

Reason for All in Party
Goldenhersh reminded those present that the Democratic party is the oldest party.

"Democrats need to continue to aspire to its great traditions for it still makes room for concerned people to enter. The party does not read those who are in, out of the party."

He presented the view that Dr. Michael Bakalis, candidate for state superintendent of public instruction, "has the respect of college students and the capability to exercise the full potential and power of that office to the advantage of educable Illinois citizens."

"The present state superintendent has failed to do this—in so failing, wasting Illinois' most potential product, which is its youth."

State Rep. Sam Vadalbene, state senate nominee, as the father of several children expressed his personal gratitude to Teen Age Democrats who were present at the Granite City rally.

He extended thanks to them for "the mannerly and hospitable attitude in which they have campaigned" in his and other candidates' behalf.

Vadalbene said he felt that, from among their ranks in the near future, candidates for public office will evolve.
